- Pay your business taxes

Go to www.filelocal-wa.gov

Create an account with:

1. Your Seattle Business License Tax Certificate Number, or
2. Your Washington State business license number (UBI, Uniform Business Identifier).

Find those numbers by searching for your Seattle business:

The Seattle business tax is not the same as the Washington State business tax. You must file your Seattle taxes separately from your state taxes. To learn more about the state tax, visit the Washington State Department of Revenue at <https://dor.wa.gov/taxes-rates/business-occupation-tax>
