

# Seattle City Light 2025 Lighting To Go Limited Time Offer

For Qualifying Sales Made 7/1/2025 through 9/30/2025

Provided by

**Seattle City Light**

Selling lighting for commercial projects in Seattle City Light territory? Check the tables below for instant discounts. Subject to the following requirements:

1. Discounts are capped at 90% of the products' regular retail cost.
2. Lamps are limited to **2,000** units per product category per project site address, per day.
3. Fixtures and standalone controls are limited to **50** units per product category per product category per project site address, per day.
4. **LTO discounts valid for products sold 7/1/2025 through 9/30/2025 and claimed within 90 days of the sales date.**
5. Products receiving discounts through the Lighting to Go program are not eligible to receive discounts through other utility programs.
6. Discounts are only available for existing structures; new construction projects are not eligible.
7. Discount columns are not cumulative. Products are only eligible for a discount as a non-controlled fixture, fixture with integral control, fixture with LLLC control, or standalone control for existing fixtures.
8. Fixtures, except for recessed downlights, must be DLC listed.
9. Recessed downlights must be ENERGY STAR® listed.
10. Fixtures with integral controls must be DLC listed and have daylight dimming and occupancy sensing active.
11. Fixtures with LLLC controls must have fixture listed by DLC, must have the LLLC control listed by DLC, and must have daylight dimming and occupancy sensing active.
12. Interior standalone controls do not include wall switch type occupancy sensors.
13. Product category limits apply to all wattages and all equipment part numbers within the same product category sold per project site address per day.
