

Thank You for a Great First Year!

Councilmember Teresa Mosqueda Position 8 Citywide

Collaborating with you, we've been able to advance these policy changes in 2018 and improve the lives of Seattleites for years to come. We look forward to working with you in 2019!

Moratorium on Rent Bidding

Prevented eBay-like escalation on rental units

Frontloaded Affordable Housing Funds

More investment for homes, and sooner, from the Convention Center project

Flexibility for Affordable Housing

Can now buy and hold land to create affordable housing while organizing building funds

Prioritized Surplus Land for Housing

Mandated public land be used for the public good / housing

Banned Sub-Minimum Wages

Passed a law ending the practice of underpaying people with disabilities

Domestic Workers Bill of Rights

First city to pass wage & safety protections for nannies, house cleaners & caretakers

"ALEGRA" Bike Network!

Promoted all ages, languages, ethnicities, genders, race & abilities for the network

Created City Ombud Office

Worked with unions & Silence Breakers to create an independent office to address harassment

Green Jobs & Buildings

Protected workers' rights & the environment as buildings are updated

Creating Safe SCL Workplaces

Insisted on workplace safety & culture changes in SCL strategic plan

Protected Your Privacy

Kept your info private with the rollout of City Light's new smart meters

City Light CEO Confirmation

Ran the committee to vet a new CEO with enviros, industry and workers
