

“Comin’ out Hot Blowin’ Snot”

Seattle Fire Department: Remembering Our Fallen

FIREFIGHTER MARVIN E. LARRY ENGINE CO. 16

PHOTO 1: Firefighter Marvin Larry joined the Seattle Fire Department in 1989 and served until his passing in 2018 due to cancer. FF Larry served on E31 and E16 throughout his career. He was also a founding member of the Walter Kilgore Seattle Firefighters Honor Guard.

The following excerpt was written by Cayman Larry for his father.

“Marvin E. Larry described himself as a Philadelphia-American. He loved his family, his friends and took tremendous pride in his job. He was outspoken. If you wondered how he felt, all you had to do was ask.

His personality was as loud as his laugh. The Honor Guard has adopted the motto “Smile like Marvin.” As a man of many mottos, I’m positive he would love that. His wife and kids can be

the first to tell you that Marvin was a proud man who never failed to speak up or step back. Today, Marvin is remembered by his family and friends as a hard worker, loving father, devoted friend, and dedicated Seattle Firefighter.”

He leaves his wife, Anne; sons, Kahlil, Kiahn, Cayman (Seattle Firefighter/Honor Guard Member); his daughter, Alieke; and his beloved grandchildren. He lived his life with duty and honor and will always be remembered for his smile and larger-than-life personality.
