071119.1 APPLICATIONS FOR CERTIFICATES OF APPROVAL

071119.11 Utility Box
Intersection of Ballard Avenue NW & NW Market Street
Kiana Ballo

Application: Install vinyl artwork wrap on utility box.

Staff Report: Tom Quackenbush distributed written and graphic materials from the application explaining the design of the vinyl wrap to the board members.

Applicant Comment: Kiana Ballo explained that there would eventually be 5 utility boxes with unique artwork created by different artists for each box located along Market Street, but one box would be located within the District at the intersection with Ballard Avenue. She talked about how different artists were selected to create unique designs for each box and the process of how they were chosen.

Public Comment: There were no comments from the public.

Board Discussion: Joseph Herrin clarified that the reason for the artwork was a solution to the problem of graffiti in the district. Board members determined that the proposal generally conformed to Guidelines.
