Q12 Meeting Themes / What we heard: Record some of what you heard at the event. Be clear about whether the theme is an individual point of view or an observation / summary from a group. Limit this to 5-7 themes. For more guidance, check out these tips on how to summarize.

Specifically call out bicycling in Dependable Transit principle. Important for light rail to integrate with Bike Master Plan efforts and connect to the citywide bike spine.

Station access points and light rail trains need to accommodate bikes for those needing them for the last mile

Need to add a station in the Duwamish area.

Prefer getting into the nitty gritty and influencing how people biking will get to and into the stations. For example, how can people get from SODO trail to the station and to Beacon Hill.
