Child Find Packet Materials Guide

Resource	What is this for?	Electronic Version / Online Resources
1. Referral Log	This is for your records only and should be maintained confidentially. Since this is a new initiative, we would like for you to keep record of whom you are assisting with the Child Find Process and/or Kinder enrollment process. This information will also be useful for you in the event that you need to follow up with a particular family. SPS or DEEL may request non-identifiable data at certain points of the year. 2. Child Find Hub Poster (in four languages)	The posters are meant to be displayed in a ~~visible~~ location that is visible to the outside public. In other words, since this is meant as a resource for families who don't necessarily attend your program, a person should not have to be inside your building to see the poster. Please hang the posters in the language(s) appropriate for your community.	Please email Rachel.Schulkin@seattle.gov for additional posters.
3. SPS Special Education Pamphlet	This pamphlet provides a broad overview of the early childhood special education services that are provided by SPS. It includes all pertinent contact information. *Please provide this to parents when speaking to them about potential referral.*	Early Childhood Sped Ed brochure e Early Childhood Sped Ed brochure S Early Childhood Sped Ed brochure S Available in English, Spanish and Somali
4. Early Childhood Special Education Referral Process (one-pager)	This document is a high level overview of the referral and evaluation process. *Please provide this to parents when speaking to them about potential referral.*	ChildFind Hub OnePager.pub
5. Help Me Grow WA (online ASQ info)	This is an excellent on-line resource for parents and available in multiple languages. You can encourage any parent to visit the site and complete the on-line ASQ as a way to gather more information on their child's development.	The online ASQ can be found here, as well as additional information: http://www.parenthelp123.org/child-development/child-development-screening-public For printed materials, please visit the following link: http://www.withinreachwa.org/order-materials/

Kindergarten Readiness Materials Guide

1. SPS Enrollment Forms (Available in spring '17)	You will likely also run into parents that are looking to enroll their child/ren into SPS. You can provide enrollment forms as needed and make them readily available to all your families, especially during open enrollment in the spring	For further information, visit: https://www.seattleschools.org/admissions/registration/registration_for_kindergarten_or_first_grade/
2. Kindergarten Readiness Checklist (Available in 10 languages)	This is an SPS document that guides parents and families ~~about~~ through the basic expectations for kindergarten readiness in six developmental areas. It can be shared with parents at any time as way ~~for~~ to help them understand what is typically expected of their child and how parents can support the development at home.	Please contact Michele Flannel at mmflannell@seattleschools.org if you do not have the language you need.
