

# Little Saigon Business District Planning Project

Little Saigon is Seattle's social, cultural, and economic hub for Vietnamese and Southeast Asian communities. Help us make Little Saigon into a strong business district and the place where everyone wants to shop, eat, and experience.

In the coming year, join Little Saigon business owners, cultural and service organizations, and other community members to work on the following goals:

- Create a prosperous business district
- Enliven everyone's experience of Little Saigon
- Make Little Saigon an attractive neighborhood
- Improve customer and visitor parking
- Find grants and other funding for improvement projects

# Background

The City of Seattle Department of Planning and Development (DPD) is partnering with Friends of Little Saigon and the Seattle Chinatown International District Preservation and Development Authority (SCIDpda) to develop an action plan to make Little Saigon a greater place.

The project will build on the work accomplished so far through the Little Saigon 2020 Action Plan (2012).
