Examination Results for Firefighter (F100-11-2105)
Generated: February 24, 2016

The following candidates are listed in grade order, reflecting their relative standing as of the effective date of the register. Relative standing is subject to change during the life of the register due to changes in availability of the eligibles for various positions, merging of registers for the same class, departmental preference points provided by rule, and similar considerations. Therefore, this list does not necessarily reflect order of certification to fill vacancies, which will be made in accordance with provisions of SMC 4.08 and Public Safety Civil Service Rules 10 & 11.
