Examination Results for Firefighter (F100-10-2019)
Effective March 3, 2020

The following candidates are listed in grade order, reflecting their relative standing as of the effective date of the register. Relative standing is subject to change during the life of a register due to changes in availability of eligibles for various positions and similar considerations. Therefore, this list does not necessarily reflect order of certification to fill vacancies, which will be made in accordance with provisions of SMC 4.08 and Public Safety Civil Service Rules 10 and 11. In addition, Veteran's Preference points may be awarded during the life of the register and a candidate's score may be updated, as outlined in RCW 41.04.010.
