

DANNY WOO GARDEN IMPROVEMENTS AT KOBE TERRACE

Project Goal

The project will replace garden retaining walls identified by the community as a priority. If budget allows, the project will address irrigation and lighting upgrades.

Budget

The Cumulative Real-Estate Excise Tax allocated \$100,000 in 2017 for planning and design, and \$200,000 in 2018 for construction.

Project Schedule

Planning and Design: Spring 2017 – Winter 2018

Construction: Spring – Fall 2018

Completion: Late 2018

Anticipated Impact

Seattle Parks and Recreation will work with the community to minimize impacts to the gardeners during growing season construction.
