

# WE NEED TO HEAR FROM YOU!

We need your input! Seattle Parks and Recreation is designing a new park at the West Seattle Junction Landbanked site. Please join Seattle Parks and Recreation's planner and project manager to provide ideas for the development of this exciting new park.

We will have an Open House to show site options and hear what you like the most for your park.

Seattle Parks and Recreation purchased this site at 4731 40th Ave SW to provide additional open space for the West Seattle community. Funding for this park project is provided by the Seattle Park District.

## SUNDAY, SEPTEMBER 10, 2017 10 A.M.-2 P.M.
