Seattle Police Department

SEA/STAT

December 3, 2014

PRINCIPLES OF SEASTAT

1. **Accurate and Timely Information**

   Know what is happening

2. **Effective Tactics**

   Have a plan

3. **Rapid Deployment**

   Do it quickly

4. **Relentless Follow-Up and Assessment**

   If it works, do more. If not, do something else

Focus on…

– *Problem Locations*
– *Prolific Offenders*
– *Repeat and Vulnerable Victims*

Common Suspect Description: B/M's in their late teens to early twenties, two reports mention a van possibly silver or blue in color

Most Common Property Stolen: wallets and phones

Caution: All reports include the display of a handgun. In 3 reports victims were pistol whipped.

Seattle Police Department Use Only--No Secondary Dissemination
Over the last couple weeks the East Precinct has experienced a series of street robberies where a gun was shown and sometimes used to pistol whip the victims. ███████████████████ If you respond to multiple robberies that appear to be similar but do not occur at the same time please use different case numbers. This assists in the ability to better track where these events are occurring.
