

ASHWORTH NEIGHBORHOOD GREENWAY

September 2019

PROJECT DESCRIPTION

The Ashworth Ave N neighborhood greenway will enhance safe access for students walking and biking to school. The Most Promising Route connects Northgate Elementary School and Ingraham High School along Ashworth Ave N and N 120th St. In the future the route could be expanded to provide connections with Interurban trail and other community destinations.

WHAT IS A NEIGHBORHOOD GREENWAY?

Neighborhood greenways are safer, calmer residential streets for you, your family, and neighbors. We make people walking and biking the priority.
