

GREENWAY DESIGN ELEMENTS

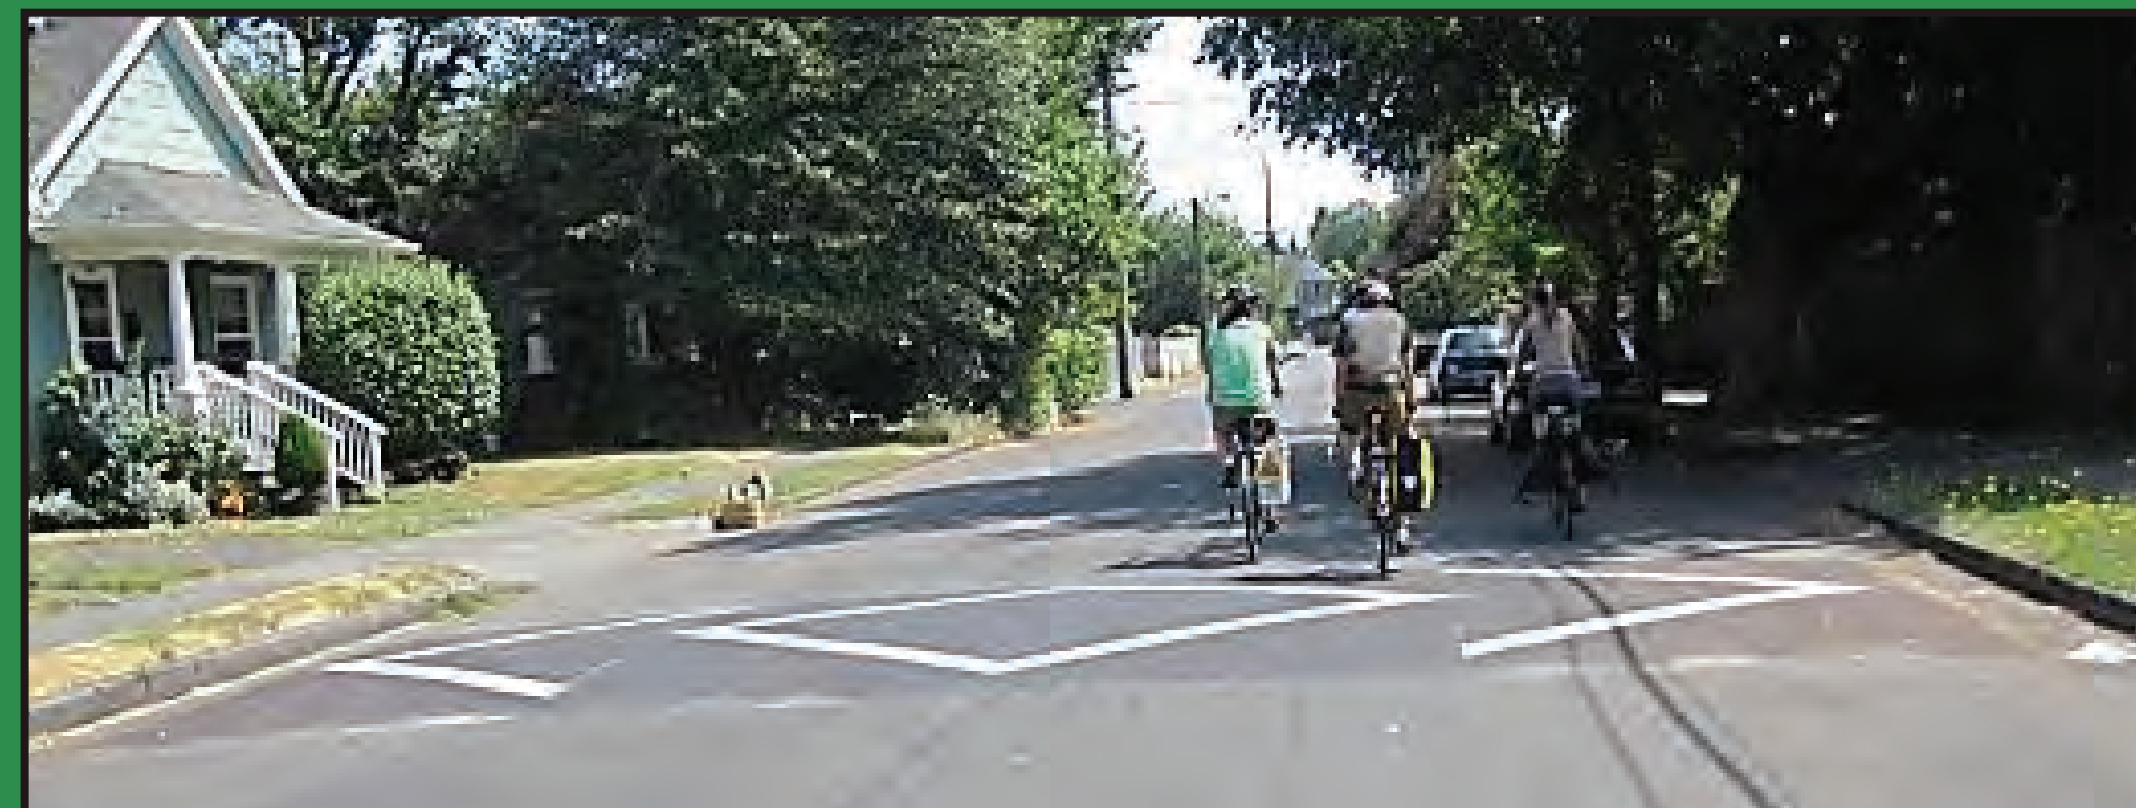

Slow Speeds and Stop Signs

- Calm traffic entering and crossing the greenway
- Drivers are better able to stop and prevent collisions

Speed Humps

- Slow motorists and people riding bikes
- Reduce cut-through traffic

Signs and Markings

- Direct people walking and biking to and along the greenway
- Help motorists know people walking and biking are present

Safer Crossings at Busy Streets

- Easier for seniors and children to cross
- Make motorists aware of people walking and biking

Placemaking

- Promote the activation of public space

Smooth Sidewalks and Pavement

- Safer for you and your family to walk and ride bikes
- Help people in wheelchairs or with strollers
