NW MARKET ST PAVING PROJECT

Learn more, tell us what you think

NW Market St is an east-west arterial and considered a major truck street in Seattle's freight network. This 4-lane street is a critical piece of Seattle's arterial network in need of repair. We will be doing a full concrete reconstruction, which will support continued growth in the area, including multiple frequent transit routes and freight.

We want to share project details with you and explain how the work will be done. Please attend our drop-in session on Tuesday, December 3, 5-7 PM, at the Ballard Library (5614 22nd Ave NW).

NW MARKET ST PAVING PROJECT

Paving, sidewalk repair, curb ramp upgrades, water main replacements, and stormwater drainage improvements.

Project Description

We will be doing a full concrete reconstruction, which will support continued growth in the area, including multiple frequent transit routes and freight. This work also contributes to our levy goal to pave up to 180 lane-miles of arterial streets by 2024.

The scope of this project includes:

- Full concrete reconstruction and restoration of NW Market St between 24th Ave NW and 15th Ave NW
- Curb ramp upgrades and replacements
- Sidewalk repair
- Tree pit expansion
- Water main upgrades
- Stormwater drainage improvements

Get Involved

We're committed to engaging with the community throughout the life of the project. We want everyone to have the opportunity to continually engage with us and ask questions.

Outreach is conducted throughout the planning, design, and construction phases and we encourage you to attend public meetings and engage with us online.

Schedule

The project is currently at 90% design. The design phase will continue throughout 2019. Construction will begin as soon as summer 2020.

Funding

This project is part of SDOT's Arterial Asphalt and Concrete (AAC) Paving Program. Design and construction of our paving projects, as well as the safety and mobility improvements shown, are funded by the Levy to Move Seattle, approved by Seattle voters in November 2015. Learn more about the levy at seattle.gov/LevytoMoveSeattle.
