

CONSTRUCTION NOTICE

AUGUST 2017

Aurora Ave N Signal Installation

The Seattle Department of Transportation (SDOT) will begin construction immediately on crossing improvements at the intersection of Aurora Ave N and N 92nd St.

Crews will saw cut the pavement in preparation for installing a new signal and curb ramps at this intersection. Construction of this signal is on an accelerated schedule, as our goal is to install and turn on the new signal in September for the start of school.

Please see the back of this notice for schedule and more information.

This project is part of the Aurora Ave N Corridor Improvements project funded by SDOT's Neighborhood Street Fund program.
