- Video
- Presentation (SPC staff)

Work session breakouts

2:50 –

4:15 p

- **the manifesto:** what's the path to get to a slimmer, more strategic and better aligned comp plan? Which elements should be included? What's the framework for the goals and policies?
- **the planscape:** how does this fit with Seattle's other plans and implementation strategies?
- **transit communities:** a specific look these goals and policies and how they'd fit into a new framework.

Report Out & Wrap-up

4:15 – 4:45

p.m.
