

# Draft Growth Strategy Issue Brief

# Context

- Draft Growth Strategy issue paper content discussed during working sessions at LUT and H&N Committees and full Commission meeting in October and November
- Thanks to Commissioner David Goldberg for offering to review and edit latest draft issue paper
- Objective for today: approval of text to move forward with production including graphics etc.

# Summary of recommendations

- Embrace the 15-Minute City
- Expand the Urban Villages concept to embrace a network of complete neighborhoods
- Actively address displacement

# Questions and Comments
