### Chemical Sensitivity Awareness

Some Commissioners have multiple chemical sensitivities. Low levels of various chemicals make them sick. This problem is increasingly prevalent in today's work environment. Please help to protect the health and comfort of those attending our Commission meetings by minimal use or voluntarily eliminating the use of such things as:

Perfume

Heavily Scented Shampoo

Cologne/After Shave

Scented Fabric Softener

Scented Hand Lotion

Highly Scented Hair Products

Your Help Is Greatly Appreciated
