The Council will consider an application incomplete unless all the questions are answered. When proposing an amendment, you must show that a change to the Comprehensive Plan is required.

b. If you anticipate that the proposed Comprehensive Plan amendment would also require a change to the Seattle Municipal Code (SMC), please indicate the SMC section(s) that would need to be changed. If you have specific language you would like to be considered, please show proposed edits to the SMC in "line in/line out" format as described above.

c. If the amendment is to the Future Land Use Map, please provide a map that clearly outlines the area(s) proposed to be changed. List the address(es) for each property, the current land use category as shown on the Future Land Use Map and the proposed new land use category for each property in the area to be changed. Identify your relationship to the owner(s) of the property. Describe how the change is consistent with Policy LU1.5, which states "Require Future Land Use Map amendments only when needed to achieve a significant change to the intended function of a large area."

2. For amendments to goals and policies only: Describe how the issue is currently addressed in the Comprehensive Plan. Why is a change needed?

3. Describe why the proposed change meets each of the criteria established in [Resolution 31807](#) which sets criteria for Council to consider an amendment to the Comprehensive Plan.

4. What other options are there for meeting the goal or objectives of the amendment? Why is a Comprehensive Plan amendment needed to meet the goals or objectives?

benefit to the community? Please include any data, research, or analysis that supports the proposed amendments.

6. How does the proposed amendment support the existing goals and policies of the Comprehensive Plan? If the proposal would change existing goals and policies or add new goals and policies to the Comprehensive Plan, describe how the proposed amendment is consistent with the Washington State Growth Management Act (<http://apps.leg.wa.gov/rcw/default.aspx?cite=36.70A>), the Puget Sound Regional Council's Vision 2040 (<http://www.psrc.org/growth/vision2040/>), and the King County Countywide Planning Policies (<http://www.kingcounty.gov/depts/executive/performance-strategy-budget/regional-planning/CPPs.aspx>).

If the amendment would have a citywide impact, please list any organizations that you have discussed the amendment with. *Notes: Please attach any letters of support for the amendment or other documentation of community support or concerns. The City will provide public notice and opportunity for public comment, and environmental review for all applications. As it reviews docketed amendment proposals, the City may request additional community engagement by applicants on an as needed basis.*

8. Has the proposed amendment been considered before by the Council? If so, when was it considered and what was the outcome? If the amendment has been previously rejected, please explain either:

- How the proposal has changed since it was last rejected, or
