SECTION 1 GENERAL PROVISIONS

1.01 APPLICABILITY

The Hearing Examiner Rules of Practice and Procedure (“Rules” or “HER”) supplement Seattle Municipal Code and ordinances and other applicable law, for matters within the Hearing Examiner's jurisdiction. They govern Office of Hearing Examiner (“Office”) administrative practice and procedure.

1.02 EFFECTIVE DATE

The Rules apply to matters before the Examiner on or after the Rules’ effective date.

1.03 INTERPRETATION

(a) The Examiner interprets the Rules and determines their application.

(b) Sections 1-3 generally apply to all proceedings. Sections 4-6 apply to specific types of proceedings. If a Rule in Sections 1-3 and a Rule in Sections 4-6 conflict, the Rule in Sections 4-6 governs. If a Rule and the Seattle Municipal Code or other applicable law conflicts, the Seattle Municipal Code or other applicable law controls.

(c) While a matter is pending before the Examiner, an affected party may request by motion that the Examiner issue a declaratory ruling on the applicability of a Rule to identified, existing circumstances. The motion must identify the Rule and describe the circumstances for which the declaratory ruling is sought.

(d) The Rules may be waived or modified, at the Hearing Examiner’s discretion, to promote hearing fairness and efficiency. When questions arise that the Rules do not address, or a procedural conflict is created by the application of the Rules, the Examiner shall determine the practice or procedure most appropriate and consistent with providing fair treatment, and efficiency. The Examiner may look to the Washington State Superior Court Civil Rules for guidance (http://www.courts.wa.gov/court_rules/?fa=court_rules.list&group=sup&set=CR).

1.04 PETITION FOR RULES (SMC 3.02.040)

Any person may petition the Hearing Examiner requesting adoption, amendment or repeal of any Rule. The petition shall be written, signed by the petitioner, and include:

(a) Petitioner’s name and address; and either

(1) In the case of a petition for adoption, the substance of the requested rule, and a brief statement of the reason why adoption of the rule is necessary or desirable; or

- (2) In the case of a petition for amendment or repeal of a rule, the number of the rule to be amended or repealed, the substance of any proposed new text amendment, and a brief statement explaining why amendment or repeal of the rule is necessary or desirable.

Within 60 days of petition submittal, the Examiner will either issue a written denial, with an explanation for the denial, or initiate rulemaking under SMC 3.02.030.

1.05 OFFICE LOCATION AND PUBLIC RECORDS (SMC 3.02.070)

(a) The Office is a separate and independent City office. The Office conducts administrative hearings and issues decisions and recommendations as authorized by the the Seattle Municipal Code. The Office's location, mailing address, and operating hours are posted on the Office's webpage..

(b) The Office retains case files, including recordings, exhibits, and decisions or recommendations in accordance with retention schedules. Case files are available to the public during normal business hours for inspection and copying pursuant to the Public Records Act, RCW Chapter 42.56, and other laws governing public records. In addition, most case records from January 2010 to the present and all e-filed documents are available online. <http://www.seattle.gov/hearing-examiner/decisions/case-search>.

1.06 ACCESSIBILITY AND ACCOMMODATION

- (a) Proceedings before the Examiner shall be accessible to the greatest extent practicable.
- (b) Upon request, the Office will provide reasonable accommodations to ensure persons needing accommodation (e.g. hard of hearing, deaf, physically impaired, non-English speakers) can attend, and where appropriate participate, in hearings.

(c) If a hard of hearing, deaf, or non-English speaking party requires an interpreter or other accommodation to fully and fairly participate in an appeal hearing, the Examiner shall appoint a qualified and impartial interpreter in accordance with the Hearing Examiner's adopted procedures for using interpreters, or provide other necessary accommodation where feasible. A request for appointment of a qualified interpreter should be submitted at least 7 business days prior to the proceeding for which the services are requested.

(d) The Examiner and Office staff cannot provide legal advice.

3.02 TIME COMPUTATION

The last day of the period so computed is included unless it is a non-business day, in which case the period extends to the end of: (a) the next business day if the period is counted forward from the event; or (b) the preceding business day if the period is counted backward from the event.

3.03 FILING AND SERVICE

(a) Documents may be filed with the Office in hard copy, or in electronic format through the Office e-File web page (*see* www.seattle.gov/examiner). Unless directed by an Examiner, electronic mail filing with the Office is not authorized, except with regard to exhibits (See HERs 3.11 and 3.14).

(c) All documents filed with the Office must be served on opposing parties. Service must be initiated on the same day of filing.

(d) Unless otherwise provided by law, the Examiner, or party agreement, documents shall be served on all parties via electronic mail. Where a party has not provided an electronic mail address, service may be by U.S. mail or personal service.

(e) Unless the Examiner otherwise provides or by party agreement, service is complete at the time documents are personally delivered, or confirmed as having been successfully transmitted by electronic mail. (e) When the Examiner is notified, or otherwise made aware, that a limited or non-English-speaking person is a party, notices concerning the hearing:

- (1) Shall be written in English and the party's primary language; or
- (2) Shall include a notice in the party's primary language, describing the notice's significance, and how the party may receive assistance in understanding and responding.

(c) The Examiner shall notify the parties of any prehearing conference. Notice may be electronic, written or oral.

(d) Parties shall be represented at any prehearing conference unless a party waives the right to be present or if the Examiner has excused participation.

(e) Following the prehearing conference, the Examiner may issue an order reciting actions taken and deadlines imposed, and rule on any motions made at the conference.

(f) Failure to adhere to a pre-hearing order deadline may result in forfeiting the right to take the action subject to the deadline where failure to meet a pre-hearing order deadline causes prejudice to a party or impairs the Examiner's ability to decide the matter.

(g) The Examiner may hold more than one prehearing conference in a proceeding.

3.08 INTERFERENCE PROHIBITED

In performing adjudicative functions, deciding appeals and preparing recommendations, the Examiner is an independent official and is not responsible to, or subject to the supervision or direction of, any elected official, any officer or employee of any department, or any other person whether or not associated with City government.

3.09 PRESIDING OFFICIAL

The Examiner conducting a hearing shall take measures to ensure a fair and impartial hearing, avoid delay, gather facts necessary for making the decision or recommendation, and maintain order. The Examiner has all powers necessary to these ends including, but not limited to:

- (a) Determine the order for presenting evidence;
- (b) Determine the appropriate hearing location and setting to ensure safety, and efficiency of the hearing;

- (f) Rule on procedural matters, objections and motions;

- (h) Permit or require oral or written argument, briefs, proposed findings of fact and conclusions, or other appropriate submittals, and determine the timing and format for such submittals;
- (i) Regulate the hearing proceeding and participant conduct to maintain order and provide a fair hearing; and
- (j) Hold conferences for issue simplification or any other proper purpose.

3.10 EXAMINER DISQUALIFICATION OR RECUSAL

An Examiner is subject to disqualification for bias, prejudice, conflict of interest, or any other cause for which a Superior Court judge can be disqualified under the Code of Judicial of Conduct. In such matters, the Examiner may be guided by the current version of the Code of Judicial Conduct, Rule 2.11. (<http://www.courts.wa.gov/content/publicUpload/Supreme%20Court%20Code%20of%20Judicial%20Conduct%20Task%20Force%20Committe/CodeOfJudicialConduct.pdf>).

(a) Any party may request assigned Examiner disqualification. The request shall be written and identify the reasons for the belief the assigned Examiner cannot remain objective in hearing the matter. This request must be submitted as soon as the basis for disqualification is known. If not, the objection may be considered waived. A disqualification request should be granted whenever the Examiner has:

- (1) a demonstrated personal bias or prejudice concerning the party or matter;
- (2) directly served in a professional or business relationship with respect to the specific matter at issue, or is professionally associated with a person who is so engaged; or
- (3) has a direct financial or personal interest in proceeding outcome either personally or through a family member.

(b) The fact that an Examiner has considered the same or a similar issue or proposal in another matter, or made a ruling adverse to the interests of the party in the same or another matter, is not a basis for disqualification.

(c) The Examiner's decision on a disqualification request shall be documented on the record. The Examiner may orally or in writing:

- (1) Disqualify themselves, if the Examiner determines that the reasons the party set forth for disqualification establish that the Examiner's impartiality might reasonably be questioned. (2) Reject the request, setting forth the reasons for the rejection; or
- (3) Disclose any relationship or appearance on the record, stating a bona fide conviction that the interest or relationship will not interfere with rendering an impartial decision.

3.11 REMOTE HEARING APPEARANCE

(a) A party may appear by telephone or video conference (collectively "remote" appearance) at a hearing when authorized by the Rules or directed by the Examiner to do so in advance of the hearing. Requests for remote appearances must be made as early as possible and should be made no later than one week in advance of the hearing. Authorization for a party or witness to appear remotely is subject to successful completion of a system test, prior to the hearing, to ensure the party's system is compatible with the Office equipment.

(b) Procedural hearings such as prehearing conferences or a status conference will be held by video conference. Appeal hearings for citations will also be held by video conference. Parties may request, or the Examiner may order in person or telephonic participation for such matters. See also HER 3.07.

(c) To the degree possible, hearings conducted remotely should be treated as an in-person hearing in accordance with the Seattle Municipal Code and the Rules. This includes logging in to participate in the hearing on time, and each participant conducting themselves with the decorum and respect owed to each other and the hearing forum for an in-person hearing.

(d) It is inevitable that remote hearings will encounter limitations concerning technology. All parties are urged to be patient with regard to the technological and other difficulties experienced by others.

(e) If in the determination of the Examiner, the technology supporting the hearing is not performing adequately, the Examiner may suspend or continue the hearing, make arrangements for submission of materials or testimony at a later date, or make other necessary arrangements.

(f) Parties must adhere to any protocols for remote hearings issued by the Examiner, and the Rules

(g) Parties to an appeal appearing remotely.

(1) A party to an appeal authorized to appear remotely must send electronic copies of documents it intends to submit as evidence to the Examiner and other parties, with receipt by the Examiner and other parties no later than seven days before the hearing (or such other date the Examiner identifies). On request of the Examiner, a single hard copy of each exhibit must also be mailed to the Office.

(2) All exhibits shall be marked numerically and presented in sequential order. Electronic documents shall have 1-3 word titles clearly identifying the document.

(3) A party appearing remotely shall arrange a means to receive exhibits from other parties instantaneously during the hearing (e.g. electronic mail).

(4) No exhibits will be admitted by showing documents through a videoconference call.

(5) Exhibits submitted for purposes of impeachment may be admitted according to order of the Examiner, or during the hearing subject to Examiner discretion.

(6) If a party is not able to access the hearing due to a technological failure, the party shall notify the Office immediately.

(h) Witnesses appearing remotely.

(1) The party calling the witness must provide all necessary exhibits to the witness before the hearing, so the witness may refer to them during the hearing.

- (2) The party calling the witness shall ensure email communication is available with the witness during the hearing.

3.12 TESTIMONY AND ARGUMENT

(a) Witnesses testifying at hearing must take an oath or affirmation to be truthful in their testimony. Witnesses are subject to cross-examination by other parties.

(b) Testimony and argument are limited to matters relevant to the Examiner's decision.

(c) The Examiner may limit testimony length to expedite the proceedings. The Examiner may pre-set allotted time for testimony. If parties are unable to complete their testimony and arguments within the allotted time, and the hearing may not be continued, it is within Examiner discretion to leave the record open and to provide an opportunity to submit written materials after the close of the hearing.

(d) No person shall be compelled to divulge information, which could not be compelled in a court of law. A witness has the right to invoke any legally recognized privilege. The rules of privilege (e.g. attorney-client, etc.) apply to the extent recognized by law.

(e) The Examiner may allow witness testimony to be submitted by sworn statement, granting to such statement the evidentiary weight warranted under the circumstances.

(f) Facts or argument from an unsworn attorney or other representative are not evidence.

(g) Although Examiner hearings are open to the public, those who are not parties are generally not permitted to testify, or comment, in appeal hearings unless a party calls them as witnesses.

(h) Interpreters. Before beginning to interpret, every interpreter shall take an oath that to the best of the interpreter's ability, a true interpretation shall be made that is understandable for the person utilizing the interpreter, and that the interpreter shall repeat statements in English to the Examiner and the other parties. (See also HER 1.06).

(i) Cross-Examination. Subject to the below, every party may cross-examine witnesses:

- (1) Cross-examination is limited to direct testimony subject matter, the foundation for opinions and statements, and to determine any bias, conflict of interest or any other issue that reflects on credibility.
- (2) Expert witnesses may also be subject to cross-examination on the sufficiency of their qualifying credentials.
- (3) The Examiner will prohibit irrelevant, cumulative, unduly repetitious, argumentative, or abusive cross-examination.
- (4) Only one person representing each party may cross-examine a witness. In cases with multiple parties with shared interest, the Examiner may place limits on the cross-examination of an individual witness by such parties to protect against undue repetition in the questions being asked.
- (5) A party may seek re-direct testimony after cross-examination. Re-direct is limited to the subjects addressed during cross-examination.
- (6) The Examiner may limit cross examination of opinion testimony offered by interested persons who do not claim to be experts.
- (7) The Examiner may establish reasonable time limits for cross examination, consistent with the requirements of due process.

3.13 OBJECTION

An objection to admitting testimony or evidence shall identify the grounds for objection. Any evidence entered into the record without objection is admissible.

3.14 EXHIBITS

(a) A party to an appeal must send electronic copies of exhibits it intends to submit as evidence to the Examiner and other parties, with receipt by the Examiner and other parties no later than seven days before the hearing (or such other date the Examiner identifies). On request of the Examiner, a single hard copy of each exhibit must also be mailed to the Office

(b) Documents submitted as exhibits must be legible. Unless challenged for authenticity and found unreliable by the Examiner, documents may be received in their entirety or as excerpts. The Examiner may require that the parties be given an opportunity to compare the copy with the original, and that the complete document from which an excerpt is taken be made available for inspection.

(c) The Examiner may exclude any evidence imposing an unreasonable custodial burden. The Examiner may require substitute photographs, reduced-sized copies, or written or oral descriptions.

(d) Copies of any screen presentation, such as PowerPoint must be provided as specified above.

(e) Exhibits submitted for the record will not normally be returned.

- (f) Exhibits at remote hearings must comply with Rule 3.11.

3.15 EXPECTED CONDUCT

(a) All persons appearing before the Examiner shall conduct themselves with civility and courtesy to all persons involved in the hearing. If an individual or group fails to meet this requirement, or if circumstances otherwise warrant, the Examiner may take reasonable measures to maintain order, including but not limited to:

- (1) Provide security officers whenever necessary to maintain order
- (2) , safety, civility, or to protect against witness intimidation.
- (3) Recess a hearing and reconvene it under reasonable conditions to assure the violation will not be repeated.
- (4) Exclude any disruptive person from further participation and have them removed from the premises. A person so excluded is deemed to have forfeited any right to participate in the hearing.
- (5) Limit or prohibit picket signs, posters, flags or other visible or audible demonstrations as necessary to maintain order, security, and the appearance of fairness in any hearing.
- (6) Identify an alternative secure location for the hearing, with specific limits placed on access to the hearing location.

(g) Parties must adhere to Orders issued by an Examiner.

3.16 APPEARANCE OF FAIRNESS

(a) Hearings shall be conducted in accordance with the appearance of fairness doctrine, codified at RCW Chapter 42.36.

(b) Ex parte communication is prohibited.. No interested person or representative shall communicate ex parte directly, or indirectly, with the Examiner concerning the merits or facts of any matter before the Examiner.

(c) This rule does not prohibit ex parte communications about procedural topics, nor does it apply to written submissions made for the record and available to all participants.

(d) If a prohibited ex parte communication is made, the Examiner shall promptly and publicly disclose the communication, and provide the parties an opportunity to review and rebut it.

3.17 MOTIONS

(a) All motions shall state the order or relief requested and the grounds for the motion. All motions other than those made at a prehearing conference or during a hearing shall be written, and the filing shall be identified as a motion for Examiner consideration.

(b) Within seven days of service of a written motion, or such other time as the Examiner may designate, any other party may file a written response. After the Examiner has received any written responses, or the seven days or other designated time has elapsed, the Examiner may rule on the motion. Failure of a party to file a timely response may be considered as evidence of that party's consent to the motion, and failure to respond to an issue raised in the motion shall constitute abandonment of that issue.

(c) The Examiner may authorize a reply or other additional briefing. Where the Examiner has not yet determined if a party may file a reply, such parties should request a determination prior to filing a reply.

(d) Parties may request oral argument on a motion. The Examiner may grant or deny the request.

(e) For motions made during a prehearing conference or at hearing, and motions made for the extension of time or to expedite the hearing, the Examiner may waive this section's requirements.

(f) The Examiner may rule upon motions orally, except for motions that are fully dispositive of a case.

(g) Written decisions on motions do not require findings and conclusions to be made in support of the decision, except for motions that are fully dispositive of a case.

(h) If a schedule for filing motions and related briefing is established by order of the Examiner, motions may not be filed at any other time without permission of the Examiner.

(i) Motions to dismiss all or part of an appeal, other dispositive motions, and motions to exclude evidence (testimony or exhibits) must be in writing and shall

be filed at the earliest possible time in the proceedings to allow time for the other party to respond, as provided in HER 3.17.(b).

(j) Motion to Dismiss. A party may move to dismiss an appeal, in whole or in part, if:

- (1) The appellant lacks standing to appeal the decision or action being challenged;
- (2) The appeal was not filed before the appeal deadline, or does not otherwise conform to appeal requirements;
- (3) The Examiner lacks jurisdiction, in whole or in part, over the appeal;
- (4) The appeal is frivolous on its face; or
- (5) Other grounds as established by law.

(k) Motion for Summary Judgment. Due to the efficiency and frequent participation of pro se litigants in the hearing process, summary judgment motions are disfavored. A party may move for summary judgment on an appeal with permission of the Examiner, and if:

- (1) There are no material facts in dispute; and
- (2) The moving party can show that when the law is applied to those facts, the party is entitled to judgment on the claim or claims; and
- (3) The issues raised primarily involve legal interpretations based on facts that are either uncontested or can be determined expeditiously.

The schedule for filing and responsive briefing for a summary judgment motion will be set by the Examiner, and will generally exceed the deadlines identified in HER 3.17 (b).

(l) A party may request, or the Examiner may grant, oral argument on a motion. Parties are not entitled to oral argument on motions.

(m) The Examiner may grant a written motion seeking permission to file a brief *amicus curiae*, if the Examiner determines that the brief would assist the Examiner. A motion to file an *amicus curiae* brief must identify:

- (1) The applicant's interest and the person or group the applicant represents, if any;
- (2) The applicant's familiarity with the issues involved in the proceeding;
- (3) Issues the *amicus curiae* brief will address; and
- (4) The reason additional argument is necessary.

(n) A primary purpose of prehearing motions is to enhance hearing efficiency. Where filing of a motion will cause delay or inefficiency, the Examiner may prohibit or deny the motion.

(o) Generally, the Examiner issues a decision within 21 days of final briefing on a motion.

(p) Orders on motions may result in the dismissal of all or part of a matter without an in-person hearing.

3.18 EVIDENCE

(a) Evidence, including hearsay, may be admitted if the Examiner determines it is relevant, comes from a reliable source, and has probative (proving) value. Such evidence is that which responsible persons would commonly rely on in conducting important affairs.

(b) The Examiner may exclude evidence that is irrelevant, unreliable, immaterial, unduly repetitive, or privileged.

(c) At public hearings on matters in which the Examiner prepares a recommendation for the City Council, opinion evidence of non-experts may be admitted into the record. At appeal hearings, opinion evidence from non-experts is discouraged but the Examiner may admit the testimony and give it appropriate weight.

(d) All evidence that a party plans to submit at hearing must be exchanged with all other parties to the appeal, except as otherwise agreed by the parties or ordered by the Examiner. Any evidence offered at the hearing that was not disclosed by the party offering it may be excluded, unless the Examiner permits it for impeachment purposes, or the party demonstrates extenuating circumstances apply.

(f) The Examiner determines the probative value, if any, of all admitted evidence.

(g) In passing upon the admissibility of evidence, the Examiner may consider, but shall not be bound to follow, the Washington State Rules of Evidence (http://www.courts.wa.gov/court_rules/?fa=court_rules.rulesPDF&groupName=ga&setName=ER), . Where the Rules of Evidence conflict with the Rules or Code, the Rules or Code shall take precedent.

3.19 OFFICIAL NOTICE

(a) The Hearing Examiner may take official notice of judicially cognizable facts. In addition, the Examiner may take notice of general, technical, or scientific facts within his or her specialized knowledge.

(b) A Hearing Examiner ruling, decision, or recommendation may refer to and utilize any part of the Code and any issued Examiner decision.

3.20 SITE VISIT

When it would assist the Examiner, the Examiner may visit or view the site before, during, or after the hearing.

(a) If the Examiner conducts a post-hearing site visit, the hearing record will not close until the visit is completed.

(b) The Examiner's observations at the site visit are not evidence.

(c) Unless the Examiner provides otherwise, site visits include only the Examiner; parties may not accompany or approach the Examiner during the visit.

(d) The Examiner may view publicly accessible electronic mapping or imagery of the site. If the Examiner intends to utilize such materials, the mapping or imagery shall be disclosed to the parties in advance so they may comment or object. As with site visits, such electronic aerial mapping or imagery is not evidence.

3.21 CONTINUING OR REOPENING HEARING

(a) A scheduled hearing may be continued on the Examiner's initiative, or on the motion of a party for good cause shown. Written notice of the date, time, and place of the continued hearing shall be provided to each party. The notice of a continued hearing need not conform to the time requirements for the original notice.

(b) At a hearing the Examiner may, for good cause shown, continue the hearing.

(c) If the Examiner determines at hearing to continue it, and then and there specifies the date, time, and place of the new hearing, no further notice is required.

(d) Following the close of the hearing and/or the record, but before issuing a decision or recommendation, for good cause, the Examiner may reopen the record and/or the hearing, and may permit or require written briefs or oral argument.

(e) If a matter is reopened after conclusion of the hearing, unless otherwise agreed, parties shall be provided no less than 10 days notice of the reopened hearing.

3.22 LEAVING THE RECORD OPEN

(a) At the conclusion of the hearing, the Examiner may close the hearing, but leave the record open to receive argument or for other good purpose. Parties shall be provided notice of any evidence received after hearing and shall have an opportunity to review the evidence and file rebuttal evidence or argument.

(b) Except as the Rules provide, the Examiner shall not consider information submitted after the record closes.

3.23 DISTRIBUTION OF DECISIONS AND RECOMMENDATIONS

The Examiner's decision or recommendation shall be distributed to each party representative, and to others as required. A copy of the decision and the certificate of service shall be made part of the case record

3.24 REMAND PRIOR TO RECOMMENDATION OR DECISION

(a) Before issuing a recommendation, a decision on an appeal or a preliminary subdivision application, or other matter, if the Examiner determines that necessary information or analysis has not been provided, the Examiner may remand the matter to the relevant department to allow for submittal.

(b) If the Examiner remands a matter for additional information or analysis, the Examiner retains jurisdiction to review the adequacy of the remand response. The remand decision shall state jurisdiction is retained and what information or analysis is to be provided and when.

(c) The information or analysis filed with the Examiner in response to a remand shall be served on all parties. If document size or condition makes electronic mail or copying impractical, filing notification is sufficient. Parties may rebut the remand response.

(d) After receiving a remand response and any rebuttal, the Examiner may reopen the hearing, or issue a final decision or recommendation without reopening the hearing.

3.24 REMAND FOR FINAL DECISION

Where permitted by law, the Examiner may remand a matter to the Department as a final decision. The Examiner may retain jurisdiction over a remanded matter, but only if the Examiner explicitly retains jurisdiction in the decision.

3.26 TERMINATION OF JURISDICTION

Hearing Examiner jurisdiction is terminated on the date a decision or recommendation is issued unless the Examiner expressly retains jurisdiction, or the law or the Rules provide otherwise.

3.27 CLERICAL ERRORS AND CLARIFICATIONS

Clerical mistakes in decisions, recommendations, orders, or the record, and errors arising from oversight or omission, may be corrected by Examiner order or initiative, or in response to a motion for clarification by a party. A motion for clarification does not stop,

or alter, the running of the time period provided by law for appealing the Examiner's decision.

3.28 PROCEEDINGS RECORDED

Examiner proceedings are electronically recorded. Hearing recordings are part of the official case record. Copies of the recordings are available for each proceeding on the Office of Hearing Examiner website under the case number for each matter (<http://www.seattle.gov/hearing-examiner/decisions/case-search>).

3.29 CERTIFIED TRANSCRIPT

(a) Anyone desiring a certified hearing transcript must obtain a hearing recording copy from the Office and arrange and pay for verbatim transcript preparation, preferably by a certified transcriptionist.

3.30 RECORD TRANSMITTAL

- (a) Anyone may request a certified copy of the record from the Office.
- (b) The Office shall promptly transmit the record when requested by an entity with jurisdiction to review the decision or recommendation.
- (c) Those seeking a copy are responsible for costs to copy the record or portions thereof.

SECTION 4 RECOMMENDATIONS TO CITY COUNCIL

The Rules of General Application in Section 3.0, and the Section 4 Rules govern matters where the Examiner holds a public hearing and prepares a City Council recommendation. These matters include, but are not limited to, various Council land use actions: Rezone Petition, SMC Chapter 23.34; Major Institution Master Plan, SMC Chapter 23.69; and Council Conditional Use, SMC Chapters 23.44 and 23.50. In the event of a conflict between a Rule in Section 4, and other sections of the Rules, the Rule in Section 4 shall govern.

4.01 PUBLIC HEARING NOTICE

Unless otherwise provided by law, notice shall be given as follows:

- (a) Contents. Notice of a public hearing shall be in writing and include:
 - (1) Hearing time and place;
 - (2) Type of decision under consideration;

- (3) Property location;
- (4) Director's recommendation;
- (5) Environmental determination, if required, and appeal information regarding that determination.

(b) Time Requirement. Notice of the hearing shall be given within the legally required time. Where no time is specified, notice shall be given no later than 20 days prior to hearing.

(c) Method of Notice. Unless otherwise required by law or requested, notice of hearing shall be provided in person, by U.S. mail, or by electronic means. For City departments, notice shall be provided by the City's regular interoffice mail service or electronic means, as the Office determines. The hearing date will also be posted on the Office website at www.seattle.gov/examiner.

(d) Record of Notice. A copy of the notice of hearing and certificate of service shall be made part of each case record.

4.02 NATURE AND PURPOSE OF PROCEEDINGS

Public hearings are conducted so that the relevant facts are efficiently available to the Examiner. The Examiner may exclude irrelevant, immaterial, unreliable or unduly repetitious testimony, exhibits, or other information.

4.03 RIGHTS OF PARTIES AND INTERESTED PERSONS

(a) Any party to a matter subject to a public hearing before the Hearing Examiner has the right to receive notice of hearing and other Examiner orders or actions, to testify and present evidence, and to receive a copy of the Examiner's recommendation.

(b) Interested persons who testify or submit information at the public hearing, shall be sent a copy of the Hearing Examiner's recommendation.

4.04 FORMAT OF PUBLIC HEARING

(a) A public hearing shall include, but need not be limited to, the following:

- (1) Examiner's introductory statement;
- (2) Report by the Director (including introduction of the official file, reference to exhibits, and a summary of the recommendation of the Department);
- (3) Applicant or petitioner testimony;
- (4) Public comment on the application or petition;
- (5) Opportunity for Examiner to ask questions;
- (6) Opportunity for presentation of additional information as rebuttal.

(b) The Examiner may alter or modify the presentation order as needed. Recesses will be set by the Examiner.

(c) Questions asked of citizens expressing their opinions shall generally be designed to clarify the opinions presented.

(d) Persons testifying as expert witnesses may be subject to cross-examination with Examiner permission.

4.05 HEARING EXAMINER'S RECOMMENDATION

(a) Issuance. The Examiner shall issue a written recommendation as required by applicable law. A copy of the recommendation and the certificate of service shall be made part of the case record.

(b) Contents. The Examiner's recommendation shall include, but not be limited to, a statement of the following:

- (1) Background. The nature and background of the proceeding.
- (2) Findings. Facts the Examiner finds relevant, and credible to inform the City Council's deliberations and decision.
- (3) Conclusions of Law. Legal and factual conclusions based upon specific provisions of law and the findings of fact.
- (4) Recommendation. Examiner's recommendation to the City Council as to whether the application or petition should be approved, denied, or remanded.
- (5) Postscript. Information on subsequent procedural steps.

4.06 RECORD

The public hearing record shall include, but need not be limited to, the following:

- (a) Application or petition;
- (b) Director's report and recommendation;
- (c) Written public and agency comments received during the Director's review;
- (d) Exhibits and written comments received by the Examiner prior to the close of the record;
- (e) Statement of anything judicially noticed;
- (f) Examiner's findings, conclusions, and recommendation;
- (g) Notice and mailing list for notice and decision;
- (h) Recording of the public hearing.

SECTION 5 RULES FOR APPEALS

5.00 PURPOSE

Appeal Hearings are conducted for the purpose of eliciting a complete factual account involved in a disputed issue. The Rules controlling appeals are intended to facilitate order, fairness, and openness in public hearings. These Rules further those purposes by reducing delays through active case management and efficient use of hearing time, minimizing costs to hearing participants, and facilitating adherence to codified time limits. Conversely, to ensure fulfillment of fact finding obligations, the Rules are not intended as vehicles for technical dismissal of appeals. All proceedings will be conducted with the primary goal of resolving cases on their merits. The Examiner will strive to decide cases on their merits and will not dismiss claims or issues due to non-material procedural mistakes made by an appellant.

5.01 FILING

(a) Compliance with Rules. All Appeals must comply with the Rules and with the requirements established in the law under which the appeal is filed. Where an appeal fails to meet these requirements the appeal may be dismissed as determined by the Examiner. The Examiner, and Office of Hearing Examiner staff, cannot provide advice concerning the appealability of a matter or issue.

(b) Timeliness. To be timely, the Office must receive an appeal in the Office of Hearing Examiner during regular business hours no later than the last day of the appeal period. (See also HER 3.02 and HER 3.03.) Appeals filed after regular business hours are deemed filed on the next business day. If using the U.S. Postal Service, as mail service can be delayed, parties are encouraged to mail well before the deadline.

(c) Fee. Any filing fee required by law (see SMC 3.02.125) should accompany an appeal or be paid by credit or debit card (VISA and MASTERCARD only) by telephone, during regular business hours. If an appeal fee is not paid within seven days of the last day of the appeal period the appeal will be dismissed. A filing fee cannot be paid by third-party check.

- (1) Fee Waiver : If requested, the Examiner may waive part or all of the required fee due to demonstrated financial hardship.
- (2) Fee Refund: The Examiner may refund a filing fee if the Examiner determines jurisdiction is lacking to hear the appeal, or otherwise determines it is appropriate, in fairness to the appellant, and consistent with Code, to refund the fee.

(d) Contents. An appeal must be in writing and contain:

- (1) Identification of the matter being appealed, including the application number or departmental action, and where applicable, the applicant name and property address;
- (2) A brief statement as to how the appellant is affected by or interested in the matter appealed;
- (3) A brief statement of the appellant's issues on appeal, noting appellant's specific objections to the decision or action being appealed (See also HER 5.01.(f) below);
- (4) The relief requested, such as reversal or modification;
- (5) Signature, address, telephone, and electronic mail address of the appellant and appellant's designated representative;
- (6) A copy of the matter being appealed (e.g. decision or permit) should be submitted with the appeal. At party request, for unusually lengthy documents, the Examiner may waive this requirement.

(e) Multiple appeals. More than one appeal may be filed, by different parties, concerning the same appealable decision or other action. Multiple appeals may be consolidated (see HER 3.06).

(f) The issues identified in the notice of appeal may be amended in a timely manner. In considering whether an amendment is timely, the Examiner will consider the prejudice to a parties' ability to respond to the issue, given the nature of the issue, the time remaining until the hearing on the merits, the reason for the delay in raising the issue, and other relevant factors.

5.02 PARTY REPRESENTATIVE REQUIRED

(a) An individual may serve as their own representative or may appoint an attorney, or other designee to be their representative. Individuals choosing to represent themselves, or "pro se litigants," must follow the same rules of procedure and substantive law, including the Rules, as attorneys.

(b) When a party consists of more than one person, or is an organization or other entity, the party shall designate an individual or firm to be its representative and provide written notification to the Examiner and the other parties of contact information for the representative. The party representative shall exercise the party's rights. Notice or other communication to the party representative is notice or communication to the party.

5.03 NOTICE OF APPEARANCE

When an attorney represents a party, the attorney shall promptly file a notice of appearance with the Office and serve the notice on the other parties at the earliest possible time in the proceedings.

5.04 DISMISSAL

(a) Any party may request dismissal of all or part of an appeal by motion pursuant to HER 3.17.

(c) When the issuing Department withdraws the decision or action being appealed, the appeal becomes moot and shall be dismissed.

5.05 AUTOMATIC APPEAL

Where the underlying law provides for automatic appeal (*i.e.*, notice of the appeal hearing is sent with notice of the Department's action), an appeal statement is not required.

5.06 CLARIFICATION OF APPEAL

On the motion of a party, or at the Examiner initiative, the Examiner may require that the appellant provide clarification, additional information, or other submittals necessary to demonstrate the basis for Examiner jurisdiction, or to make the appeal complete and understandable. A request must be timely made so the other parties have a reasonable opportunity to respond. The need for clarification of issues on appeal is not grounds for dismissal of the appeal.

5.07 AMENDMENT

On a party's motion, for good cause shown, the Examiner may allow an appeal to be amended. In deciding whether to allow amendment, the Examiner may consider whether the amendment: has been timely filed; would prejudice a parties' fair hearing opportunity; raise jurisdictional issues (e.g., if a party is seeking to add appeal issues not identified in the notice appeal after the appeal period has expired); reason for any delay in raising the issue; and any other relevant factors.

5.08 WITHDRAWAL

(a) An appeal may be withdrawn only by the appellant, in writing.

(b) Where an appeal is filed by more than one person, or by an organization or other entity, only the designated party representative may withdraw the appeal.

(c) An appellant's written request to withdraw shall be granted and the appeal dismissed. Withdrawal of an Application or Appeal after a decision has been issued will not be honored unless expressly authorized by Code or state law.

5.09 INTERVENTION

(a) Intervention is not a substitute means of appealing a decision for those who could have appealed but failed to do so.

(b) A person, organization or other entity who has not appealed may request by motion to participate in the appeal. The motion must state how the person or entity is interested in the matter appealed, and demonstrate a substantial interest that the existing parties do not adequately represent. The motion shall specify the legal issue(s) the intervenor seeks to address and may not raise new issues. A written request for intervention must be filed with the Examiner and served on all parties at the earliest possible time, and in no event later than 15 business days prior to the scheduled hearing date.

(c) In determining the merits of a request for intervention, the Examiner shall consider whether intervention will promote resolution of the appeal on its merits, unduly delay the hearing process, expand the issues beyond those stated in the appeal, or prejudice to a party. If intervention is granted, the Examiner may limit the nature and scope of the intervenor's participation in the proceedings including but not limited to limiting witness presentation, cross-examination participation, and briefing.

5.10 MEDIATION AND SETTLEMENT

5.10.01 PURPOSE

(a) Mediation is a process that allows the participants to explore resolution of an appeal without going through a formal hearing procedure. In mediation, a neutral third party (a "mediator") facilitates communication and negotiation between the parties to assist them in finding mutually acceptable solutions to disagreements. The process is voluntary and the parties may or may not reach a written agreement. The mediator does not have the power to make a decision for the parties, but can help the parties find a resolution that is mutually acceptable. The only people who can resolve the dispute in mediation are the parties themselves. Mediation is more flexible than the formal appeal process and may allow the participants greater control over the process and outcome, and may allow consideration of outcomes beyond those an Examiner might have authority to address.

(b) Settlement is the voluntary resolution of a dispute through party agreement. The Examiner does not participate in the settlement process.

(c) Mediation or settlement may be used to address some, or all of the issues that have been raised in a notice of appeal. The Examiner encourages the use of mediation and/or settlement to reach voluntary and mutually acceptable solutions.

5.10.02 INITIATION

(a) Mediation may be requested by the parties, or it may be suggested by the Examiner. Parties may initiate mediation privately at any time.

(b) Settlement is initiated privately between the parties at any time.

(c) If all parties agree to mediate or engage in settlement discussions, and to extend deadlines in the proceedings, the Examiner may continue any deadlines and hearings.

5.10.03 RESOURCES

(a) At any time, a party may request a referral for mediator services.

(b) The Examiner may provide information on mediation resources, including free or low-cost mediation services, but the Examiner does not warrant or represent the quality or suitability of any such source.

(c) In some cases, the Examiner may request another Examiner to offer mediation services. If another Examiner mediates the case:

(1) The Examiner serving as mediator shall not be the Examiner assigned to the case.

(2) The Examiner serving as mediator may not communicate or discuss the mediation, or any other aspect of the case, with the Examiner assigned to the case, except procedural matters to arrange the mediation.

(3) The parties must agree to the Examiner serving as mediator.

(4) Whether an Examiner may serve in such a role is dependent on availability, and subject to Examiner discretion.

5.10.04 CONDUCT OF MEDIATION

(a) Before mediation, each party representative shall file a declaration affirming:

(1) A party representative with authority to settle the matter will be available for the duration of the mediation; and

(2) The party representative with authority to settle the matter has reviewed the mediation materials submitted by that party, as well as the materials submitted by opposing parties.

(b) Mediation during an Examiner proceeding is governed by the Uniform Mediation Act, RCW Chapter 7.07. To the extent the Rules are inconsistent with RCW Chapter 7.07, state law governs.

(c) During mediation, prehearing procedures, including but not limited to discovery and motions for dispositive orders, shall continue according to the prehearing order.

5.10.05 PRIVILEGE AND CONFIDENTIALITY

(a) A mediation communication is a statement, whether oral, written, or nonverbal, that occurs during a mediation or is made for purposes of considering, conducting, participating in, initiating, continuing, or reconvening a mediation or retaining a mediator.

(b) A mediation communication is privileged, except as provided by Chapter 7.07 RCW, and is not subject to discovery or admissible in evidence in a proceeding before the Examiner unless the privilege is expressly waived. In any subsequent Hearing Examiner proceeding following a mediation, the following privileges apply:

- (1) A mediation party may refuse to disclose, and may prevent any other person from disclosing, a mediation communication.
- (2) Evidence or information otherwise admissible or subject to discovery does not become inadmissible or protected from discovery solely by reason of its disclosure or use in mediation.

(c) A privilege under subsection (b) above may be waived in a written agreement or orally during the proceeding if expressly waived by all parties to the mediation and:

- (1) In the case of the privilege of the mediator, it is expressly waived by the mediator.
- (2) In the case of the privilege of a nonparty participant, it is expressly waived by the nonparty participant.
- (3) A person who discloses or makes a representation about a privileged mediation communication that prejudices another person in a proceeding is precluded from asserting a privilege under subsection (b) above, but only to the extent necessary for the person prejudiced to respond to the representation or disclosure.
- (4) There is no privilege for a mediation communication that is a written agreement signed by all parties to the dispute.

5.10.06 OUTCOME

(a) When the parties determine mediation is complete, they shall report the outcome of the mediation to the Examiner.

(b) The following applies if agreement is reached as a result of mediation or settlement:

- (1) If the agreement resolves all appeal matters at issue, and calls for case dismissal, the Examiner shall order dismissal upon notification by the parties.

- (2) If the agreement resolves all matters at issue in the appeal and is signed by all parties, but calls for additional action by the Examiner (e.g. the parties may request review of the agreement by the Examiner, or request that the Examiner modify or condition a department decision based on the parties' agreement), the parties shall file a copy of the agreement with the Examiner, and the Examiner shall convene a hearing to address the parties' request.
 - (3) If the agreement resolves only some matters at issue in the appeal, and calls for dismissal of those issues, the Examiner shall order dismissal of those issues. The hearing process shall resume as if no mediation had occurred with regard to the remaining issues. The agreement on the dismissed issues shall not be used as evidence or proof of anything except that an agreement has been reached, unless all parties signed the agreement or agreed to waive the privilege.
 - (4) If the agreement resolves only some matters at issue in the appeal, and calls for additional action by the Examiner (See HER 5.10.06.(b).(2) above), the parties shall file a copy of the agreement with the Examiner, and the Examiner shall convene a hearing to address the parties' request. As to the remaining issues on appeal, the hearing process shall resume as if no mediation had occurred with regard to those remaining issues. The agreement on the dismissed issues shall not be used as evidence or proof of anything except that an agreement has been reached, unless all parties signed the agreement or agreed to waive the privilege.
- (c) The following applies if no agreement is reached:
- (1) The hearing process shall resume as if no mediation or settlement discussion had occurred; and
 - (2) Information exclusively shared by parties at a mediation may not be used as evidence in the hearing process, unless all parties agree to waive their privilege.

5.11 NOTICE OF HEARING

- (a) Contents. The notice of hearing shall include:
 - (1) Hearing time, place, and nature;
 - (2) The legal authority and jurisdiction for the hearing;
 - (3) The file number, address, or other identifying information for the underlying decision or action appealed;
 - (4) Identification of the matter to be considered;
 - (5) Reference to the applicable Code section.
- (b) Time. Hearing notice shall be given as legally required. If the time for notice of hearing is not specified, or there are conflicting notice requirements, minimum

notice shall be 20 days, as SMC 3.02.090 provides in contested cases. A hearing may be set on shorter notice where substantial injury to a party would result, or all parties agree to a shorter notice period (SMC 3.02.090).

(c) Method of Notice. Unless otherwise required or requested by a party, notice of hearing shall be given to each party in person, U.S. mail, or electronic mail. For City departments, notice shall be provided by regular interoffice mail service or electronic means. Hearing dates will also be posted on the Office of Hearing Examiner website at www.seattle.gov/examiner.

(d) Record of Notice. A copy of the notice of hearing and certificate of service shall be made part of the case record.

5.12 DISCOVERY

(a) Discovery is the process of prehearing fact-finding through the use of certain methods commonly used in civil litigation, including but not limited to written interrogatories, deposition of witnesses (oral and written), requests for documents, and requests for admissions. Parties who wish to utilize this process must do so at the earliest possible time to avoid later delay in the hearing process. Discovery should be limited to relevant, non-duplicative material and not overburdensome to other parties.

(b) The record supporting a decision appealed to the Examiner is developed by the City office or department responsible for the decision. Parties are encouraged to obtain necessary documents through department websites or a Public Records Act request to the relevant department at the earliest opportunity.

(c) The Examiner typically is not involved in the discovery process and is not copied on documents produced, or on correspondence and electronic mail about discovery matters.

(d) In response to a motion, or on the Examiner's own initiative, the Examiner may compel discovery, or prohibit or limit discovery (for example where it is overly burdensome, harassing, or unnecessary).

(e) Discovery is presumed unnecessary for documents available via the Seattle Department of Construction and Inspections public online document file.

5.13 SUBPOENAS

(a) A motion may be made in writing for a subpoena to require a person to appear and testify at a deposition or hearing, or for a person to produce specified documents or other physical exhibits at a prehearing conference, deposition, or at hearing.

(b) A motion for a subpoena to require a person to testify shall include the person's name and address, demonstrate the relevance of that person's testimony, non-duplicative nature of the testimony sought, and the reasonableness of the scope of subpoena

sought. A request to subpoena documents or other physical exhibits shall include the name and address of the person producing the documents, identify the materials to be produced, state their relevance, and demonstrate the reasonableness of the scope of the subpoena sought.

(c) The party requesting the subpoena shall be responsible for serving it. An affidavit or declaration of personal service or mailing shall be filed with the Examiner and served on all parties.

(d) Unless otherwise allowed by the Examiner, subpoenas shall be served no later than ten business days prior to the date the appearance or production is ordered.

(e) A subpoena may be issued with like effect by an attorney of record in the proceeding. The issuing attorney must sign the subpoena.

(f) Unless otherwise allowed by the Examiner, any motion to limit or quash (*i.e.*, vacate or void) a subpoena shall be filed with the Examiner no later than five days after the date the subpoena was received.

(g) Requests for subpoenas and the rulings on such requests must be served on opposing parties on the same date they are filed. Subpoena requests require three business days for the Office to process.

5.14 PARTIES' RIGHTS AND RESPONSIBILITIES

(a) Each party in an appeal proceeding has the right to hearing notice, presentation of evidence, rebuttal, objection, cross-examination, argument, and other rights the Examiner determines necessary for the full disclosure of facts and a fair hearing (except where a matter has been dismissed as a result of pre-hearing motion or otherwise).

(b) Parties have the right to attorney representation but it is not required.

(c) Where a party has designated a representative, the representative shall exercise the rights of the party.

(d) Unless otherwise provided by Examiner order, if a party expects to offer a document as an exhibit at the hearing, the party shall supply a copy of the document to each party either before or at the hearing.

5.15 DEFAULT

The Examiner may dismiss an appeal without a hearing by an order of default where, without good cause, the appellant fails to appear, is unprepared to proceed at a scheduled and properly noticed hearing, or where the appellant otherwise fails to pursue their case in a timely manner.

5.16 HEARING FORMAT

(a) Appeal hearings have a structured format to elicit relevant evidence efficiently and fairly.

(b) Where the Code provides the appellant must overcome deference accorded the decision appealed, the order of presentation is generally:

- (1) Examiner's introductory statement;
- (2) Parties' opening statements (optional);
- (3) Appellant's presentation of evidence;
- (4) Applicant's presentation of evidence (if applicant is not the appellant);
- (5) Department's presentation of evidence;
- (6) Rebuttal (if any); and
- (7) Parties' closing arguments (See HER 5.18).

(c) Where no deference is accorded the decision appealed, the order of hearing is generally:

- (1) Examiner's introductory statement;
- (2) Parties' opening statements (optional);
- (3) Department's presentation of evidence;
- (4) Appellant's presentation of evidence;
- (5) Applicant's presentation of evidence (if applicant is not the appellant);
- (6) Rebuttal (if any); and
- (7) Parties' closing arguments (See HER 5.18).

(d) The Examiner may modify the order of presentation to promote clear and fair evidence presentation. With the Examiner's approval, the order of presentation may be modified by agreement of the parties. Recesses will be set by the Examiner.

(e) The order of presentation does not alter any legally established burden or presumption.

5.17 BURDEN AND STANDARD OF PROOF

(a) The Examiner accords deference or other presumption to the decision being appealed where directed by law.

(b) Where the applicable law provides that the appellant has the burden of proof, the appellant must show by the applicable standard of proof that the Department's decision or action does not comply with the law.

(c) Where the applicable law does not provide that the appellant has the burden of proof, the Department must make a *prima facie* showing that its decision or action complies with the law authorizing the decision or action. In this context, a *prima facie* showing requires the introduction of evidence sufficient to compel a conclusion in the absence of contradicting evidence.

(d) Unless otherwise provided by applicable law, the standard of proof is a preponderance of the evidence.

(e) Where an appellant fails to present evidence or argument at hearing (including in closing arguments) concerning an issue raised in its notice of appeal, such issue is generally considered abandoned, and will be dismissed.

5.18 CLOSING BRIEFS AND PROPOSED FINDINGS OF FACT AND CONCLUSIONS

(a) The Examiner may request that parties to submit closing briefs, written arguments, or proposed findings and conclusions.

(b) When a brief, written argument, or proposed findings and conclusions are filed, copies shall be served concurrently on all named parties.

5.19 HEARING EXAMINER'S DECISION

(a) Issuance. The Examiner shall issue a written decision and provide a copy to each party representative within the legally required time, or if none stated, 21 days from record closure. If more than one time limit applies, absent party agreement, the shorter period controls. A copy of the decision and the certificate of service shall be made part of the case record.

(b) Decision on Relief Requested. In accordance with applicable law, the Examiner's decision may affirm, reverse, modify, or remand the Department's decision or other action appealed.

(b) The Examiner's administrative file may include other information or materials that are not part of the record.

5.21 RECONSIDERATION

(a) Any party may request reconsideration of the Examiner's final decision on an appeal, only if it can demonstrate one or more of the following grounds:

- (1) Irregularity in the proceedings by which the moving party was prevented from having a fair hearing;
- (2) Newly discovered evidence of a material nature which could not, with reasonable diligence, have been produced at hearing;
- (3) Error in the computation of the amount of damages or other monetary element of the decision;
- (4) Clear mistake as to a material fact.

A motion for reconsideration may not repeat arguments the Examiner's decision rejected. If a motion for reconsideration fails to show one of the above criteria is met, the Examiner may deny the motion.

(b) Motions for reconsideration must be filed no later than 10 days after the date of the Examiner's decision. When a timely motion for reconsideration has been filed, the period provided by law to appeal the Examiner's decision is tolled. The Examiner's decision in such cases occurs on the date a decision is entered on the motion for reconsideration.

5.22 SUBSEQUENT APPEAL

Examiner decisions may be appealed as the law provides. The party seeking to appeal an Examiner decision has the responsibility to consult Code sections and other appropriate sources, to determine their rights and responsibilities.
