The child must depend on the insured employee for support and maintenance to be eligible for life and AD&D coverage.

Eligibility and Coverage Information

New Employee Enrollment

If you are a new employee, you must enroll in or apply for medical, dental, vision, life, or AD&D coverage **within 30 days of your hire date**. You have two enrollment options:

- 1) through [Employee Self-Service](#), which is preferred
- 2) if you have no access to a computer, submit a *Benefit Election Form* to your Department's [Human Resources Representative](#). If you choose paper forms, make sure you complete, sign, and date them.

If you miss the deadline, the City will default you into certain benefits, and you will be ineligible for others. You must wait for the next Open Enrollment period to make changes.

If you do not enroll in life insurance when first eligible, you will be required to complete a *Medical History Statement* or *proof of good health* for the insurance carrier. You will not be guaranteed coverage as you are when first eligible.

When Coverage Begins

You must enroll within 30 days of hire. Coverage begins for you and your eligible family members on your first day of employment if that date is:

- the first calendar day of the month designated as a City business day, or
- the first calendar day of the month designated or recognized as the first working day for the shift you are assigned, whichever is later.

If your employment begins after this date, your coverage will start the first day of the following month.

What if I miss the enrollment deadline?

If you fail to enroll within 30 days of your hire date, the City will automatically enroll you in dental and basic vision coverage. Your dental coverage will default to the Delta Dental of Washington plan.

If you are newly eligible for health coverage and don't actively elect or waive medical coverage, the City will automatically enroll you in the Aetna Traditional employee-only plan. This plan requires no premium contribution from you.

You also will need to meet additional requirements to enroll in Life Insurance later. You may be required to submit a Medical History Statement and have it approved by the insurance company to be eligible for Life Insurance coverage.

Eligibility and Coverage Information

Waiving Coverage

You have the option to decline medical coverage within 30 days of your hire date, during Open Enrollment, or within 30 days of a qualifying event. If you waive coverage, you may not cover dependents under the City's medical plans. You will not be charged premium payments if you decline medical coverage and will still be enrolled in the dental and basic vision plans because there is no employee premium contribution.

How do I enroll my family members?

There are two opportunities to enroll family members:

- Open Enrollment
- Life Event or Family Status Change, for example:
 - Within 30 days of marriage, the establishment of a domestic partnership, legal guardianship, or a dependent losing coverage on another plan
 - Within 60 days of your child's birth or adoption event for health care coverage
 - Within 30 days of your child's birth or adoption event for life and AD&D insurance
 - You can find other examples of Life Events or Family Status changes on Pages 6 and 7.

If you add a family member outside of Open Enrollment, you must complete a [Benefits Change Form](#) and submit it to your department's Benefits Representative. If you miss the enrollment deadline, you can enroll your family member(s) at the next open enrollment period, generally in the fall.

After you enroll a dependent, Alight Solutions, the City's business partner, will send a letter to your home within 2-3 weeks. The letter will request documents that confirm the eligibility of your dependents. Additional information about the dependent eligibility verification process is [here](#).

Visit <https://www.seattle.gov/human-resources/benefits> for more information. Call your department's [human resources or benefits representative](#) or the City's Benefits Unit at 206-615-1340 if you have questions.

Eligibility and Coverage Information

How do I disenroll my family members?

If you need to remove a family member from coverage outside of Open Enrollment, submit a completed Benefit Election Form to your department's [benefits representative](#).

If you end your spouse or domestic partner's coverage due to a legal separation, divorce, or termination of the domestic partnership, submit a completed Statement of Termination of Marriage/ Domestic Partnership form or a Notice of Termination of State Registered Domestic Partnership within 30 days of the legal separation, divorce or domestic partnership termination.

Changing Your Benefits

There are two opportunities to change your benefit choices:

- Open Enrollment
- Within 30 days of a qualifying change in family or job status

Open Enrollment

Open Enrollment is held once each year in the fall. You can change your benefits plans, add and drop family members, and add or drop coverages during this time. If you make changes during Open Enrollment, your new coverage is effective on January 1 of the new (next) plan year. Increases in your Life insurance coverage are subject to the approval of your *Medical History Statement* by the life insurance carrier.

Open Enrollment is also the time to enroll in the Flexible Spending Account program (Health Care and Day Care). You must re-enroll every year, even if you had an account the previous year.

Life Events/Family Status Changes that May Affect Your Benefits

You must enroll a new spouse or domestic partner and any dependents within 30 days of your marriage or the establishment of a domestic partnership. You have 60 days to add a child acquired through birth, adoption, or placement for adoption (This 60-day deadline does not apply to FSA changes.) *You can only add family members during the annual fall Open Enrollment period if you miss the deadline.*

If you have a change in family status, you may be able to make a related change to your benefits. Several examples are on the next page. Contact your department's Human Resources representative if any of the following occur:

Eligibility and Coverage Information

- You adopt a child - you may add coverage for that child (you may add coverage for your other dependents at that time).
- Your child loses coverage under your spouse's coverage - you may add this child to your plan.
- You get married or form a domestic partnership - you may enroll your new spouse or domestic partner and their eligible children.
- Your spouse or domestic partner loses coverage due to termination of employment, change in employment status, or beginning an unpaid leave of absence – you may add your spouse or partner to the plan.
- Your spouse or domestic partner gains coverage due to the start of employment, change in employment status, or ending an unpaid leave of absence—you may drop your spouse or partner from the plan.
- You get divorced, legally separate, or dissolve a domestic partnership – you must drop the spouse or domestic partner from the plan.
- Your child no longer meets the age requirements for medical/dental/vision – your child will be dropped from coverage.

When Coverage Ends

Your medical/dental/vision, Basic and Supplemental Life and AD&D coverages end on the last day of the calendar month in which you:

- Are no longer eligible
- Resign, retire, or are terminated
- Stop making any required payment.

Flexible Spending Account coverage ends on the last day of employment.

Continuing Coverage Under COBRA

To help you continue your health coverage, Congress passed the Consolidated Omnibus Reconciliation Act (COBRA) in 1986. Under COBRA, you are eligible to purchase medical only, dental/vision only, or medical/dental/vision coverage under certain circumstances when your group health plan coverage with the City ends. If you have questions about COBRA coverage continuation for a terminated Health Care Flexible Spending Account benefit plan, please contact the Benefits Unit.

If you are a City of Seattle employee and have City medical, dental and vision coverage, you and your covered family members have the right to elect COBRA continuation coverage for up to 18 months if your coverage is lost because of one of these qualifying events:

Eligibility and Coverage Information

- Your employment ends for a reason other than gross misconduct
- Your work hours are reduced to the point where you no longer are eligible for benefits.

The 18-month COBRA continuation period may be extended to 29 months if you or a family member (who is a qualified beneficiary) is disabled according to Social Security at the time of one of the above qualifying events. This 11-month extension is available to all qualified beneficiaries who lose coverage due to termination of employment or a reduction of hours.

Covered family members have the right to choose COBRA continuation coverage for up to 36 months if coverage is lost for any of these qualifying events:

- Death of the employee
- Divorce or legal separation of the employee and spouse or dissolution of the domestic partnership.
- A child loses coverage (turns 26).

The Life plan has a conversion option.

Coverage through Health Insurance Exchange

As an alternative to COBRA, you may choose an individual medical plan through the health insurance exchange. Depending on your income and the number of dependents you cover, you may find a plan on the Exchange that fits your coverage needs. Please note that if you enroll on an exchange plan, you will not be eligible for coverage on a City retiree medical plan in the future. You can find more information at www.wahealthplanfinder.org.

Coverage through a City Retiree Plan

When you are eligible to retire, you will receive a packet of information about the City's retiree medical plans at your Retirement Office appointment. If you want to participate in a retiree medical plan instead of COBRA or a Health Insurance Exchange plan, be aware that you must choose a plan **at least 30 days before you retire**. In some cases, you can delay your enrollment in a City of Seattle retiree medical plan if you are covered under another employer's plan. Contact the Benefits Unit at Benefits.Unit@seattle.gov for more information about the plans.

Paying for Benefits

Your Payroll Deductions

See page 24 for medical premiums

Medical, Dental, and Vision

If you elect medical coverage, the City of Seattle pays most of the premium for you and your eligible, enrolled family members. The amount you pay depends on which plan you select and whether you cover a spouse or domestic partner.

Medical premiums are deducted each month on a pre-tax basis. (Premium amounts paid for a domestic partner cannot be taken on a pre-tax basis if your partner is not a dependent on your IRS tax form.)

Your share of the cost for your medical premium is taken in equal amounts from the first and second paychecks of the month during the month of coverage on a pre-tax basis. For example, premium deductions taken from your March paychecks provide for March coverage.

The City fully pays the dental and basic vision plan for most employees. You can elect a Buy-Up Vision plan; you pay the premium for you and your eligible family members. The premium is deducted pre-tax in equal amounts from the first and second paychecks of the month.

Life Insurance

Your basic and supplemental life insurance after-tax premium deductions are taken from your second paycheck of the month for the next month's coverage.

Accidental Death and Dismemberment

Your AD&D after-tax premium deduction is taken from your first paycheck of the month for that month's coverage.

Flexible Spending Accounts (Health Care & Day Care)

Your FSA pre-tax deduction is taken in equal amounts from your first and second paychecks each month.

Benefits and Financial Planning

Because everyone's medical and financial situations are different, the City offers a variety of plans to help protect employees and their families from the financial hardship that unusual medical expenses can bring. The plans are designed to cover much of the cost of medically necessary health care services. However, employees still bear a portion of their medical service costs in the form of premiums, deductibles, copayments and coinsurance.

Since health care costs may be unanticipated, it makes sense to plan and save for your out-of-pocket costs. If you can accurately anticipate some medical, dental and vision expenses for the following year – such as prescriptions, glasses, orthodontia, office visit copays and deductibles. The Health Care FSA is a tool to support your financial planning and maximize the value you get for dollars spent on health care. You can elect the Health Care FSA during Open Enrollment to set aside pre-tax dollars to pay for eligible out-of-pocket medical expenses for you and your family. Here are additional ways to cut costs and save money.

- Quit smoking and encourage your family to quit. Enroll in the City's free tobacco cessation program by calling Quit for Life at 1-866-QUIT-4-LIFE (1-866-784-8454). Your adult family members with City medical coverage may enroll.
- Be more active and eat nutrient-dense food. Many diseases and conditions are preventable, and healthy behavior reduces your future health care costs and enhances your life now.
- Go to check-ups and screenings. Have regularly scheduled physical examinations by your doctor, dentist, eye doctor, and so on. Take advantage of free medical screenings, flu shots and go to the City's benefits fairs.
- Choose the best health plan for you and your family. There is more to selecting a good health plan *than just the payroll deduction*. If you are shopping for a health plan, compare the premiums, copayments, co-insurance and what is and is not covered by the various plans.
- Stay within the network. Look for doctors and healthcare providers within your plan's network.
- Review medical bills carefully. Billing errors can cost hundreds or even thousands of dollars. Contact the billing office if there is an error or you do not understand your bill. You may be able to negotiate fees and bills that you feel are too high.

Medical Plan Options

Medical Plans

The City offers four different medical plans:

- Aetna Preventive Plan
- Aetna Traditional Plan
- Kaiser Permanente Standard Plan
- Kaiser Permanente Deductible Plan

How to Choose a Medical Plan

Plan features, coverages, and costs vary. The plans with Aetna offer an sizeable choice of doctors; coverage is higher if you use doctors in the Aetna network. The Kaiser Permanente plans require that you use their network of doctors, clinics, hospitals, and pharmacies but offer a higher level of coverage.

Plans offering higher coverage (Aetna Preventive and Kaiser Permanente Standard) have lower copays but higher monthly premiums. The Aetna Traditional Plan has a larger annual deductible and lower or no monthly premiums.

When making your decisions, you should consider cost, choice, and coverage. Here are some questions to ask yourself:

- Do you want a plan that allows you to choose any doctor, hospital, or clinic (Aetna plans), or are you willing to stay within a network (Kaiser Permanente plans) and receive a higher level of coverage?
- Would you prefer to pay higher monthly premiums to have a small annual deductible (Aetna Preventive Plan) or no annual deductible (Kaiser Permanente Standard Plan) and smaller copays?
- Would you rather pay lower or no monthly premiums and have higher coinsurance and deductibles (Kaiser Permanente Deductible and Aetna Traditional plans)?

The following very brief plan descriptions may help you make these choices.

New Employees: Remember - You have 30 days from your hire date to enroll in the medical, dental, vision, and most optional insurance plans.

Medical Plan Options

Aetna	The City has plans through Aetna - the Preventive Plan and the Traditional Plan. The plans use the Aetna provider network, and Aetna administers the claims.
Preventive Plan	This plan has no annual deductible (unless you see an out-of-network provider) and a \$5 copay for all office visits except preventive care (which is covered at 100%). Most other services are covered at 100% after a copay if you use an Aetna network provider.
Traditional Plan	This plan has a \$100 annual deductible per person (\$300 per family). Most services are covered at 80% if you use an Aetna network provider. Most preventive care is not covered.
What If I Don't Use the Aetna Network?	Both of the City's plans include the Aetna network of doctors; however, you choose whether to use a network or non-network provider when you require care. If you choose a doctor who is not in the network, you will pay a higher percentage of the cost of the visit. Another issue to keep in mind is that prices charged by a non-network provider are often higher than those charged by a network provider. If you use a non-network provider, you will pay 30% -40% of the network cost for a service, and your doctor may charge you an additional amount over the established network price.
Aetna.com	Locate detailed claim information, review your benefits, request changes, find service providers, and email member services at Aetna.com .
Simple Steps	Members have access to a health risk assessment – <i>Simple Steps to a Healthier Life</i> . Following completion of a questionnaire, you will receive a health report and a personal action plan.
Urgent Care	Log in to your account at Aetna.com . Select the Urgent Care tab for a list of walk-in clinics near you.
24 Hour Nurse Line	Have health or wellness questions? Nurses are available through a toll-free telephone number 24 hours a day, 7 day a week. Aetna offers foreign language translation for non-English speaking members. Call 1- 800-556-1555 to speak to a nurse —24 hours a day, 365 days a year. For speech or hearing impaired, dial 711.

Kaiser Permanente Standard Plan	<p>The Standard Plan is a managed care plan with no deductible and an office copay of \$15. The Kaiser plans cover most services at 100% after payment of a copay. Preventive care is covered.</p>

Dental Plan Options

There are two dental plans: Delta Dental of Washington (DDWA) and Dental Health Services (DHS).

Delta Dental of Washington

If you select DDWA, you can receive services from any dentist, but your out-of-pocket expenses may be lower if you choose a dentist who belongs to the DDWA network. To locate a DDWA network provider, search <https://www.deltadental.com/us/en/find-a-dentist.html>. For claim issues or appeals, please call (206) 522-2300 or 1-800-554-1907.

Selecting an in-network DDWA dentist means:

- The portion of the dental bill you pay is smaller than if you use a non-network dentist.
- You do not need to submit a claim - the dentist's office will submit the claim form.
- After you pay your portion of the bill, you will not be balance-billed more for a covered service. *(A non-DDWA dentist may bill you for the portion of the bill that DDWA does not cover).*

Payment of Routine Care Benefits

The DDWA Incentive program is designed to promote regular dental care by increasing from one incentive period to the next, the amount paid for preventive care and regular visits. During the first incentive period, the payment level for covered and allowable Preventive and Diagnostic (routine care) benefits will be 70 percent even if you had DDW coverage through a previous employer. This payment level increases by 10 percent — up to a maximum of 100 percent — each successive incentive period in which routine care benefits are used at least once by the eligible person(s). If the once-a-year visit is missed, the Incentive Level reimbursement will decrease by 10 percent for each period during which routine care benefits are not used. In no event, will the payment level be less than 70 percent.

Orthodontia

DDWA offers orthodontia benefits for adults and children. Pre-treatment estimates are recommended. The orthodontia benefit is paid at a 50% level to a lifetime maximum of \$3,000 for each eligible person. **NOTE:** for individuals who are already in treatment when joining the City's DDWA plan, DDWA will prorate claim payment(s) based on the original banding date and remaining balance. The dental office needs to contact DDWA customer service for patient-specific details.

Plan Ahead

Use your medical Flexible Spending Account to pay your portion of orthodontia with pretax dollars.

Dental Plan Options

ID Cards

Delta Dental of Washington

You will receive your DDWA ID card about 2 weeks following your dental plan selection. However, a card is not needed to access care – simply let your provider know you are covered under a City of Seattle plan, and they will ask you some information to identify you and confirm your benefits and eligibility. You can also set up your online account or Go Mobile at at <https://www.deltadentalwa.com/>.

Dental Plan Options

<p>Accessing Care (Notify DHS once you've selected your care provider)</p>	<p>Dental Health Services</p> <p>If you select DHS, you can only receive services from an in-network dentist or dental practice – there is no out-of-network benefit available. In some instances, the DHS plan may provide a more significant benefit for services received than DDWA. The list of in-network dentists and clinics is much smaller than DDWA, and you must see an in-network, DHS-participating dentist or clinic for services to be covered.</p> <p>Selecting a DHS dentist means:</p> <ul style="list-style-type: none"> • There are no deductibles and no annual maximums • There are no incentive-level services <p>To begin, visit: https://www.dentalhealthservices.com/ and click "Plan Members" – from here, you will be able to:</p> <ul style="list-style-type: none"> • Search for a DHS dentist/clinic and to set up your online account. • If you provided a personal email to the City during your onboarding, that address is on file with DHS and should be used on the Register Member screen when setting up your account. • If your personal email wasn't provided or didn't work on the Register Member screen, contact DHS directly at (206) 849-7100 to request your Member Number.
	<p>Payment of Basic Services</p>
<p>Orthodontia</p>	<p>DHS offers both child and adult (age 25 and over) orthodontia. Orthodontia charges include: a copayment of \$400, a \$150 charge for the initial exam, study models and X-rays. NOTE: for members who are already in treatment when joining the City's DHS plan, there is no transition of care; the orthodontia benefit is available for <u>new patients only</u>.</p>

Optional Insurance – Group Term Life

Group Term Life (GTL) Insurance

Your life insurance is issued by Securian Life Insurance Company, an affiliate of Securian Financial Group, Inc. (Securian Financial). The City provides two levels of optional Term Life Insurance: Basic and Supplemental. The City and you pay for Basic Life Insurance; you pay the full cost for Supplemental Life Insurance. You can sign up for Group Term Life Insurance within 30 days of your hire date, during an Open Enrollment period, or within 30 days of a qualifying change in family status. For more information, please refer to the Certificate of Coverage.

Basic Life Insurance

This optional coverage provides you with two options of Term Life Insurance benefit amounts. The first option equals one-and-a-half times your annual salary, and the second option is a flat \$50,000. The City contributes 40% of the cost, and you pay the remaining 60% of the cost. Within the coverage amount guidelines shown below, you select the option of basic Life insurance you are interested in applying. A table with information regarding the monthly cost of Basic Term Life Insurance follows.

	Minimum	Maximum*
Option A	1.5 times your annual salary, rounded to the next higher multiple of \$1,000, if not already a multiple of \$1,000	\$2,500,000 when combined with supplemental life insurance
Option B	\$50,000	\$50,000

* IRS rules state that the value of Basic Life Insurance over \$50,000, which is paid for by the City, is taxable. You may limit your Basic Term Life Insurance coverage amount to \$50,000 to avoid the additional taxes. The amount on which you pay taxes will be shown on your second paycheck each month.

If you sign up for Basic Term Life Insurance as a new employee, you are guaranteed coverage up to \$1,000,000 when combined with supplemental life insurance. However, if you sign up for it later during an Open Enrollment period, you will be required to complete and submit an online [Evidence of Insurability](#) form (medical history statement) within 90 days of the end of the enrollment period. See the online submittal instructions [here](#). Securian Financial must approve it before your life insurance takes effect.

If you have a qualified Family Status change during the year, you may newly elect or increase your basic group term life insurance 1.5 times your annual salary to \$50,000 without Evidence of Insurability. Any amount over \$50,000 would require EOI.

Coverage Amount Needed

Find the life insurance amount that's right for you and your family. Choosing the right insurance coverage can be overwhelming. Use Securian Financial's online benefits decision tool, Benefit Scout, to help you and your family make your insurance elections confidently. Get started by going to Lifebenefits.com/Seattle.

How Much Will Coverage Cost?

Your coverage amount equals your annual salary, rounded up to the next \$1,000 increment, multiplied by 1.5. Your monthly premium equals \$0.045 times each \$1,000 of coverage.

To calculate your basic Life insurance, use the following table:

1. Annual Salary = Line 1	Line 1: _____
2. Round Up Line 1 to nearest \$1,000 = Line 2	Line 2: _____
3. Multiply Line 2 by 1.5 = Line 3	Coverage Amount Line 3: _____
4. Divide Line 3 by \$1,000 = Line 4	Line 4: _____
5. Multiply Line 4 by the plan rate of 0.045 = Line 5	Monthly Premium Line 5: _____

For example, if your annual salary is \$78,600 per year, round it up to \$79,000. To determine your coverage amount, multiply \$79,000 by 1.5 = \$118,500. \$118,500 is your coverage amount. Divide your coverage amount by \$1,000 ($\$118,500 / \$1,000 = 118.50$). Multiply 118.50 by the plan rate of 0.045 ($118.50 \times 0.045 = \$5.33$) Your premium is \$5.33 per month.

Child/Children (up to age 26)	\$2,000, \$5,000 or \$10,000			

** Refer to the Certificate of Coverage for specific details on Guaranteed Issue and coverage limits.*

Please contact your Benefits Representative within 30 days of a salary increase if enrolled in the Maximum Supplemental Life amount and want to increase.

However, if you sign up for it later during an Open Enrollment period, you will be required to complete an online [Evidence of Insurability](#) form (medical history statement) within 90 days of the end of the enrollment period. See the online submittal instructions [here](#). Securian Financial must approve the Evidence of Insurability before your life insurance takes effect.

If you have a Family Status change during the year, you may newly elect or increase your Supplemental life insurance by up to \$50,000. You may make the election or increase as long as the combined amount (Basic and Supplemental Life) does not exceed \$1 million.

AD&D

To supplement your Basic and Supplemental Life Insurance, you may purchase Accidental Death and Dismemberment (AD&D) Insurance for yourself, your spouse or domestic partner, and your children. AD&D Insurance pays a death benefit (principal sum or full insurance amount) if the insured person dies due to a covered accident. It also pays a percentage of the death benefit if the covered person loses a limb(s), sight, speech, hearing or becomes paralyzed. For example, a person who is covered by AD&D Insurance would receive 50% of the principal sum (full insurance amount) if he/she lost a limb from an injury relating to a covered accident.

You can cover yourself in \$25,000 increments up to \$500,000. Your family members' coverage is a percentage of your coverage amount. For example, John Smith has “Employee and Family” coverage for himself and his two children (no spouse). If one of his children dies, he receives a payout of 20% of the principal sum. If John had a spouse, he would receive 15% of the principal sum if his child died. Charts showing costs and payout percentages can be on the next page.

How to Decide if You Need AD&D

If you don't have life insurance or other insurance plans to cover your family if something should happen to you, you may consider purchasing AD&D coverage.

New Employees: Remember - You have 30 days from your hire date to enroll in the medical, dental, vision, and optional insurance plans.

Optional Insurance - Flexible Spending Accounts

Flexible Spending Accounts

Navia Benefit Solutions administers the City's Flexible Spending Account (FSA) Plans. The FSAs allow you to set aside pre-tax dollars from your paycheck for Health Care FSA (\$120 annual minimum, \$2,850 annual maximum) to pay for eligible expenses not covered through other benefit programs and eligible work-related expenses for Day Care FSA plan (up to \$5,000 per household). When you put money into an FSA, you do not pay federal or Social Security taxes on it. As a result, your taxable income is reduced, and your taxes are lower.

You can enroll in FSAs either: (1) within 30 days of your hire date through Employee Self-Service, (2) during an Open Enrollment period, or (3) within 30 days of a qualifying change in family status. **To continue participating, you must re-enroll each year during open enrollment.**

There are two types of FSA Plans:

Health Care FSA Account

Health Care FSA – allows you to set aside money (\$2,850 annual maximum per employee) to pay for eligible expenses not covered by your health plans (e.g., deductibles, copays, or costs for orthodontia that exceed the plan maximum). Health care premiums are not eligible expenses because they are already deducted from your paycheck on a pre-tax basis. You must submit receipts for reimbursement by March 31 of the following year. Find eligible expenses at www.naviabenefits.com.

Navia Benefit Solutions will carry over up to \$550 of unused 2022 Health Care FSA account balances to 2023 accounts by the end of January 2023. If you don't elect a 2023 Health Care FSA, 2022 account balances under \$120 will be forfeited.

Daycare FSA Account

Daycare FSA – allows you to set aside money on a pre-tax basis to pay for eligible daycare expenses for your child, disabled spouse, or tax dependent parent (or anyone who qualifies as a dependent on your IRS tax form) while you and your spouse/domestic partner work or seek employment, or if your spouse who does not work becomes a full-time student (\$5,000 annual maximum per household). Unused Daycare FSA funds will not carry over to the following plan year.

Examples of Qualifying Life Events *(not all-inclusive)*

Contact the Benefits Unit if you have any questions

If you experience a qualifying life event as described below, contact the Benefits Unit at Benefits.Unit@seattle.gov within 30 days of the event to see if you're eligible to make a change to your Health or Daycare FSA.

- Return to work from a Leave of Absence (*Note: returning from Leave is the qualifying event for birth or adoption and marks the 30-day window to elect Dependent Care FSA*)
- Change in legal marital status, which changes the number of your eligible dependents (marriage, divorce, etc.)
- Birth of a child, adoption of an eligible child or placement for adoption, or death of a dependent
- Change in employment status for you or your spouse/domestic partner which affects your daycare needs
- Daycare needs change. Examples include child reaching a maximum age of 13, change in daycare cost or coverage, or change of care provider

As you incur eligible expenses, you submit bills and receipts and receive reimbursement up to the amount you elect to have withheld from your paychecks throughout the year. There are restrictions on the amount you can contribute and the types of expenses that can be reimbursed. Find eligible daycare expenses at www.naviabenefits.com.

Leave Policies

Vacation

You earn vacation based on the number of hours (non-overtime) you are paid each pay period. Vacation hours are accumulated on a maximum of 80 hours per pay period. (See the vacation accrual chart below.) Approximately 2,088 hours of regular pay status equal one year of full-time employment. Your vacation accrual rate is 12 days per year for your first four years of service. The accrual rate gradually increases to 20 days per year after 20 years of service, with an additional day per year of service after that to a maximum of 30 days.

You can accumulate two times your annual vacation without penalty. The amount of vacation you have earned and not used is shown on your biweekly paycheck. You may also view this information on [Employee Self-Service](#).

Follow your department’s protocol for requesting and taking a vacation.

Your unused vacation balance will be cashed out when you leave City employment unless your union has elected to participate in VEBA or you are eligible to defer your vacation leave into Deferred Compensation. Check with your HR representative.

Represented Employees - see your collective bargaining agreements for provisions regarding leave policies.

If any of this information differs from the union bargaining agreement, the bargaining agreement prevails.

Sick Leave

Sick leave is a program that pays your wages if you must be absent from work because of your own medical appointments, personal illness, injury or disability, which makes you temporarily unable to perform your job or when you are absent because of medical appointments, illness, injury or disability of your spouse or domestic partner, parent, grandparent, sibling, grandchild or dependent child. You may also request sick leave for the non-medical care of a newborn or child recently placed for adoption, foster care or legal guardianship, closure of your worksite or your child's school or place of care by a public health official, and for reasons related to domestic violence, sexual assault, or stalking. You are eligible to use available sick leave hours after 30 days of employment.

Full-time employees accumulate 12 days or 96 hours of sick leave per calendar year, at the rate of .046 hours per hour on regular pay status. If you are absent more than four consecutive workdays, you must submit medical documentation to verify your absence. You may also need to provide return to work certification. When you retire through the City of Seattle Retirement System you are eligible to receive a cash equivalent of 25 percent of unused sick leave hours, unless your union has elected to participate in VEBA or you are eligible to defer your sick leave into Deferred Compensation. Check with your HR representative.

Sick Leave Transfer

For more information on sick leave transfer, see Personnel Rule 7.7.5 and your department's policies.

- You provide a medical certification from your health care provider verifying the nature and expected duration of your condition and the need to be off work.
- You have used your sick leave balance judiciously.
- You are not eligible for benefits under SMC Chapter 4.44 or under the State Industrial Insurance and Medical Aid Acts.

You may also donate eight or more sick leave hours to an approved recipient employee, provided the donation will not cause your sick leave balance to fall below 240 hours.

Glossary

Balance billing	The amount over and above your co-insurance amount that you may be required to pay if you use a non-network provider. See the explanation for Paying out-of-network claims that bills more than Aetna’s allowable amount on page 53.
Coinsurance	The arrangement by which both the Plan and the employee share a specified ratio of the covered expenses under the policy. For example, the Aetna Open Choice Traditional Plan pays 80% of most covered expenses while the employee pays the remaining 20% of covered expenses once the deductible has been met.
Copay	A fee paid at the time a medical or dental service is provided. A copay may be a percentage of charges, but is usually a flat fee. In general, copayments may not be applied toward the coinsurance or out-of-pocket deductibles.
Deductible	The amount of covered expenses that must be incurred before and Plan benefits are paid. The deductible is set on an annual basis and there are individual and family deductibles.
Eligible Expenses	Expenses as defined in the health plan as being eligible for coverage. This could involve specified health services fees or "reasonable and customary charges."
Formulary	A list of preferred brand-name and generic drugs. Drugs are selected for inclusion based on evaluation criteria developed by each Plan. Formularies are different depending on the Plan, and may change to include new drugs or to drop brand-name drugs as generic equivalents become available.
Generic Drug	A drug which contains the same active ingredients in the same amounts as the brand-name product, although it may differ in color, shape or size from the brand-name product. It is produced after the brand name drug's patent has expired. It is also called a "generic equivalent."
Network Provider	A medical provider, such as a physician, who has a signed contract to participate in a health plan. Also known as a preferred provider.
Non-network Provider	A provider who has not signed a contract with a health plan. Also known as a non-preferred provider.
Out-of-Pocket Cost	The amount not covered by the plan that the plan member pays. This includes such things as coinsurance, deductibles, etc.
Out-of-Pocket Limit (Out-of-Pocket Maximum)	The amount of copays and/or coinsurance an individual will be required to pay within a calendar year before most covered expenses are covered in full.
