\* Coverage for any service is subject to the carrier's determination of medical necessity and adherence to their clinical policy guidelines.

\*\* Applies to Aetna -- Recognized charges are the lower of the provider's usual charge for performing a service, and the charge Aetna determines to be the recognized charge percentage in the geographic area where the service is provided.

\*\*\* Applies to Aetna – Aexcel network, a specialty network of doctors in 13 specialty areas. The coinsurance level will drop 10% for non-Aexcel doctors in the 13 specialty areas (coinsurance applies to in-network, out-of-pocket maximum).
