

16th AVENUE SKYBRIDGE

Swedish Medical Center
Cherry Hill Campus

HOSPITAL SKYBRIDGES

- Hospitals are different from other skybridge owners
- As large institutions, hospitals cover multiple blocks with intervening streets
- Skybridges needed for ease of access for disabled and elderly
- Hospitals provide public benefits

16th Ave. Skybridge

16th Ave. Skybridge

16th Ave. Skybridge

16th Ave. Skybridge

- Hospital and garage designed on assumption that skybridge would exist; skybridge connects to hospital main corridor

Skybridge Connects to Hospital Main Corridor
