23rd Avenue Action Plan (Union-Cherry-Jackson)

Continue to Turn Your Passion Into Action! It's time to review the shared vision and input from the April 2013 workshops and online questionnaire, confirm and prioritize the strategies being proposed in response to what was shared, and begin building action teams and partnerships who will work together to make it all happen. To learn more about the 23rd Avenue Action Plan contact Kerry Wade (kerry.wade@seattle.gov) 206-733-9091. <http://bit.ly/15VISgC>

9 AM - 10 AM

23rd Avenue Corridor (Street) Improvement Project

The 23rd Avenue Corridor Improvement Project is a transportation project to improve the 23rd Avenue corridor between E John and S Rainier streets. SDOT met with the community in March 2013 and took input on several different design options. We've heard you and look forward to sharing the preferred alternative to redevelop the corridor into a Complete Street. To find out the latest on the 23rd Avenue Corridor Improvement Project, contact Maribel Cruz (206) 684-7963 (maribel.cruz@seattle.gov). <http://bit.ly/14z8IYJ>
