

APPENDIX D: PIONEER SQUARE PROPOSED HEIGHT ILLUSTRATIONS (IDM 100'-130' ZONE)

This illustration right above depicts theoretical development to 130' in height at the 1/4 block site south of the Interurban Building. The depicted building site is located at the northeast corner of Occidental Avenue South and S. Washington Street. This view is facing northeast from S. Washington Street 1/2 block west of the Occidental Avenue South.

This illustration right above depicts theoretical development to 130' in height at the 1/4 block site northwest of the intersection of Occidental Avenue S. and S. Washington Street, and the 1/2 block site (far right) adjacent to Occidental Park southeast of the same intersection. This view is facing north from the south side of Occidental Park near S. Main Street.
