Come celebrate the completion of the South Lake Union neighborhood plan! The October 29th Open House will recognize the hard work of the South Lake Union neighborhood residents, businesses and non-profits ... working to prioritize the recommendations of the South Lake Union Neighborhood Plan.

This event will have displays on the exciting new projects in South Lake Union, including parks, arts, housing, and public safety. We will also have a crafts table for kids ... so all ages can help us celebrate. Join community organizations and City departments to discuss the plan, and to learn about the next steps to make your priorities a reality.

For more information about the South Lake Union Neighborhood plan, please contact Lish Whitson at (206) 233-0079, lish.whitson@seattle.gov.
