

Seattle Fire Department's

Smart Kids! Safe Kids!

Resource Guide for Preschool Teachers

The *Smart Kids! Safe Kids! Resource Guide for Preschool Teachers* is a great collection of fun and educational lesson plans, informational articles and classroom activities which help incorporate valuable fire and life safety information into the preschool or daycare classroom. The articles are informative and user friendly and can be shared with staff and parents alike. The lesson plans are targeted to the safety needs of 3-5 year old children. The book is divided into three topic areas:

- Home Fire Safety and Fire Escape Planning
- Match & Lighter Safety
- Injury Prevention

By providing quality information in an audience-appropriate manner to teachers, parents and preschoolers we can begin to reduce the devastating effects of childhood injuries.

This resource book is **FREE***
and yours to keep!
