

## SEATTLE CITY LIGHT WANTS TO HELP YOU INCREASE YOUR BOTTOM LINE.

Seattle City Light pays up to 70% of your costs when you upgrade to energy-saving lighting or equipment.

Seattle City Light small business customers are taking advantage of rebates that help pay for energy-saving upgrades. Participants can also save hundreds of dollars on their utility bills each year.

To get started, a Seattle City Light energy analyst will come to your business and provide a free assessment of your energy-saving opportunities.
