

MEMORANDUM OF AGREEMENT
Between
Affordable Housing Provider
And
Seattle City Light
For
Low Income Certification

This Memorandum of Agreement (“Agreement”) between the City of Seattle by and through its Seattle City Light Department (“City Light”), a municipal corporation located at 700 Fifth Avenue, Suite 3200, PO Box 34023, Seattle, WA 98124, and (Affordable Housing Provider), a non-profit housing provider, sets forth the terms and working guidelines for providing certification services related to customer/tenant participation in the Utility Discount Program (“Program”). This Agreement identifies the roles and responsibilities for the respective parties in facilitating the application, eligibility determination, and approval process for eligible (Affordable Housing Provider) residents seeking participation in the Program.

BACKGROUND.

Since the early 1980’s, the Program has provided reduced utility rates to thousands of qualified City Light and Seattle Public Utilities (“SPU”) customers. Customers who qualify and are enrolled in the Program who rent and do not have their own SPU account, may receive the benefit of the SPU discount applied to their City Light account.

As a non-profit low-income housing provider, (Affordable Housing Provider) addresses the affordable housing needs of customers of City Light who meet certain eligibility standards. (Affordable Housing Provider)’s prospective residents must verify that they meet specific income criteria. All (Affordable Housing Provider) residents must maintain individual utility accounts with City Light.

ROLES AND RESPONSIBILITIES.

(Affordable Housing Provider) agrees to:

- For new tenants:
 - Review and certify that the resident’s household income documentation and identification are on file with (Affordable Housing Provider);
 - Provide the Program with a signed original of the Verification Review and Application (“VRA”) substantially in the form of Attachment A, certifying that all necessary and appropriate documentation is on file with (Affordable Housing Provider) as part of the initial application/eligibility determination;
 - Forward new applicant/customer information to SCL within one week;
- Upon request and within a reasonable period of time, make (Affordable Housing Provider) resident records available for inspection by the Program, auditors or other City of Seattle authorized representatives;
- Assist the Program in sharing information about the Program with (Affordable Housing Provider) tenants who might qualify for the program via building newsletters, Program brochures, etc.

The Program agrees to:

- Review and approve eligible (Affordable Housing Provider) residents for the Program who have submitted a completed VRA signed by an authorized (Affordable Housing Provider) representative;
- Verify that customers meet the income thresholds outlined in the attached Attachment B (eligibility guidelines are subject to change on an annual basis);
- Facilitate application of the reduced rate to eligible SCL and SPU customer utility billings;
- Through the standard re-certification process, provide qualified residents an opportunity to renew their eligibility after eighteen (18) months for low income customers and thirty-six (36) months for seniors (65 yrs +) from the date of their approval for inclusion in the Program.

TERM.

This Agreement shall take effect upon final signature by both parties and remain in effect for a period of eighteen (18) months from the date of final signature. Any modifications to this agreement and associated processes may be made upon agreement by both parties.

TERMINATION.

City Light may terminate this Agreement after providing 30 day written notice to Affordable Housing Provider of such termination. Affordable Housing Provider may terminate this agreement upon 30 day written notice to City Light of such termination. City Light may terminate this agreement for its own convenience by providing five (5) written days notice to Affordable Housing Provider.

CONSIDERATION.

In consideration for City Light providing eligible customers with discounted electric rates and electric conservation information which will help them better manage their financial resources allowing customers the opportunity to stay current on housing and utilities costs, Affordable Housing Provider will supply City Light with information outlined in "Roles and Responsibilities" above.
