BUDGET BILLING LEGEND

1. Actual Account Balance: This is the actual balance of your account. This amount may increase or decrease depending on your electricity consumption.
2. Summary of Charges and Statement date: This shows how credits or payments have been applied to your account prior to the date shown. In this example, credits from previous payments have reduced the total amount due: $309.77 (Current Budget Billing Amount) minus $245.99 (account credit) equals the Total Amount Due of $63.78.
3. Total Amount Due and Due Date: This is the Budget Billing amount, any unpaid balance, plus any “Other Charges (see #6)” for the account and the payment due date.
4. Current Budget Billing Amount: This is the average of your previous 12 months of electricity consumption. This amount is readjusted every 12-14 months to more accurately reflect your electricity usage.
5. Current Electric Service: This is the actual cost of your electric service during this billing period.
6. Other Charges: Services such as streetlights, loans, Project Share and Green Power donations, and collection or late fees will appear here.
7. Current Billing: The total of your current electric costs plus any “Other Charges.” This line adds #5 and #6.
