TERMS AND CONDITIONS

Please refer to the following terms and conditions prior to signing acceptance on reverse side:

- You must be a customer of Seattle City Light and the installation address is in the Seattle City Light service area.
- One rebate per household please.
- This rebate request application must be postmarked within 90 days of the heat pump water heater purchase date.
- The installed heat pump water heater must meet the following qualifications:
 - New heat pump water heater must be purchased between Jan. 1, 2012 and Dec. 31, 2012.
 - ENERGY STAR rated and on the list of qualified models available at www.seattle.gov/appliances.
 - The product has been installed outside of heated living space such as in a garage, crawl space or attic exposed to average air temperature that remains above 40 degrees Fahrenheit, the majority of the year.
 - Installation location is at least 1,000 cubic feet in volume (example – 10' x 10' x 10').
 - Installed in accordance with manufacturer's specifications.
- All information must be complete and a **copy** of an itemized receipt must be enclosed to be considered for payment.

Seattle City Light ("SCL") will review the rebate request application ("Request") and determine whether the installed Heat Pump Water Heater product qualifies for the rebate. If the installed Heat Pump Water Heater product qualifies, SCL will mail the appropriate rebate within (60) days of SCL's receipt of the Request. Only one rebate is available per home. By signing this Request and accepting any rebate, Owner (1) represents and warrants that the Heat Pump Water Heater product has been installed in compliance with all applicable federal, state and local laws, codes, and ordinances, including all building energy and accessibility codes and in compliance with the procedures specified by SCL; and (2) acknowledges and agrees that: (a) SCL is a sponsor of the rebate program only and has not and does not make any representations or promises with respect to the Heat Pump Water Heater product, the energy consumption, and/or energy savings from the installed Heat Pump Water Heater product; and (b) that SCL MAKES NO IMPLIED OR EXPRESS WARRANTIES REGARDING THIS PROGRAM, ITS POLICIES, PROCEDURES, INSPECTIONS AND/OR ANY OWNER INSTALLED HEAT PUMP WATER HEATER, AND SPECIFICALLY DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

OUR MISSION

Seattle City Light is a publicly owned utility dedicated to exceeding our customers' expectations in producing and delivering environmentally responsible, safe, low-cost and reliable power. More than 90% of our electricity is produced by clean, renewable hydropower and wind generation. Seattle City Light is committed to delivering the best customer service experience of any utility in the nation.
