

Heat Pump Water Heater Rebate Form

Get a \$250 rebate on a qualified ENERGY STAR® heat pump water heater.

ENERGY STAR heat pump water heaters are up to twice as efficient as conventional electric tank water heaters, saving you money and energy.

To apply, follow these steps:

1. Read the Terms and Conditions on the back of this form to ensure you qualify.
2. Complete the rebate form and attach itemized receipt. Receipt must include retailer/installer name, address, phone number, purchase date, price, product manufacturer and model number.
3. Sign and date the rebate form and send the completed form with itemized receipt **within 90 days of purchase date** to:

Mail:

Terms & Conditions

Please refer to the following terms and conditions prior to signing acceptance:

- You must be a customer of Seattle City Light and the installation address is in the Seattle City Light service area.
- This rebate request application must be received within 90 days of the heat pump water heater purchase date.
- The installed heat pump water heater must meet the following qualifications:
 - New heat pump water heater must be purchased between Jan. 1, 2011 and Dec. 31, 2011.
 - ENERGY STAR rated
 - The product has been installed outside of heated living space such as in a garage, crawl space or attic exposed to average air temperature that remains above 40 degrees Fahrenheit, the majority of the year
 - Installation location is at least 1,000 cubic feet in volume (example – 10'x10'x10')
 - Installed in accordance with manufacturer's specifications
- All information must be complete and a copy of an itemized receipt must be enclosed to be considered for payment.

Seattle City Light ("SCL") will review the rebate request application ("Request") and determine whether the installed Heat Pump Water Heater ("HPWH") product qualifies for the rebate. If the installed HPWH product qualifies, SCL will mail the appropriate rebate within (60) days of SCL's receipt of the Request. Only one rebate is available per home or business. By signing this Request and accepting any rebate, Owner (1) represents and warrants that the HPWH product has been installed in compliance with all applicable federal, state and local laws, codes, and ordinances, including all building energy and accessibility codes and in compliance with the procedures specified by SCL; and (2) acknowledges and agrees that: (a) SCL is a sponsor of the rebate program only and has not and does not make any representations or promises with respect to the HPWH product, the energy consumption, and/or energy savings from the installed HPWH product; and (b) that SCL MAKES NO IMPLIED OR EXPRESS WARRANTIES REGARDING THIS PROGRAM, ITS POLICIES, PROCEDURES, INSPECTIONS AND/OR ANY OWNER INSTALLED HPWH PRODUCT, AND SPECIFICALLY DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Acceptance of Terms & Conditions

I hereby certify that all information provided herein is true and correct. I have read all terms and conditions on this form and acknowledge and accept Seattle City Light's right to inspect the installed Heat Pump Water Heater product listed on the attached receipt. I acknowledge that the Seattle City Light-sponsored rebate program is a limited offer and subject to the availability of funds, and that rebate amounts may be subject to change without notice.
