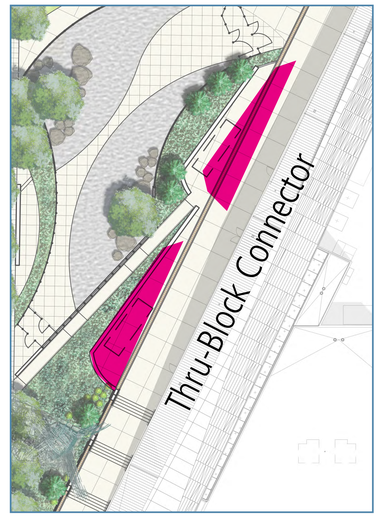
Denny Substation Project

Powering Seattle through the 21st century

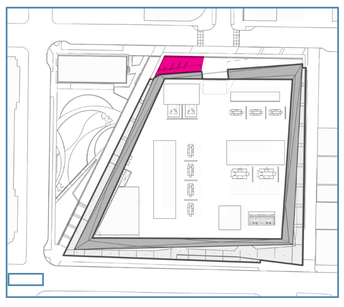
10 EVENT ZONE

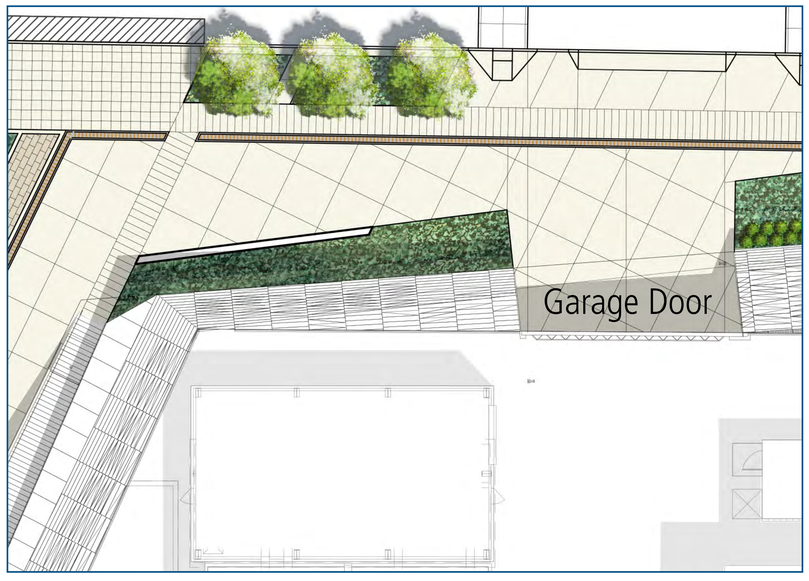
A paved zone will be dedicated to rotating uses such as food trucks, a street fair, farmers market, or overflow for the community meeting space.



11 JOHN STREET OPEN SPACE

An open space plaza will be located on the northwest corner of the site along John Street. It is planned to include seating, landscaping, chess boards, as well as a community Public Post for flyers and announcements. East of the open space, a large translucent laminated glass service door will be the main entrance for utility crews and equipment delivery. It is proposed to feature an iconic map of the neighborhood applied to its surface.





GARAGE DOOR GRAPHIC

12 OPEN SPACE ON MINOR

The 17,850 square foot open space on Minor Ave will include an off-leash area, open lawn space, seating, landscaping and bicycle parking.
