- A.     The Consultant shall not discriminate against any employee or applicant for employment because of race, religion, creed, age, color, sex, marital status, sexual orientation, gender identity, political ideology, ancestry, national origin, or the presence of any sensory, mental or physical handicap, unless based upon a bona fide occupational qualification. The Superintendent of Seattle City Light shall give the Consultant an opportunity to be heard, after ten calendar days' notice. If the Superintendent of Seattle City Light concurs in the findings of the Director of Executive Administration, he/she may suspend the Contract and/or withhold any funds due or to become due to the Consultant, pending compliance by the Consultant with the requirements of this section.
- D. The City encourages the use of women and minority employees and apprentices on all City contracts and encourages outreach efforts in employment opportunities. Outreach efforts may include use of targeted solicitation lists, advertisements in publications directed to underrepresented communities, providing student internships or apprentice opportunities, noting the Consultant's Equal Employment Opportunity (EEO) policy in solicitations, emphasizing EEO and outreach policies within the company, and using the services of available minority community and public organizations to perform outreach.
- E. Upon request by the Department of Executive Administration, the Consultant shall submit EEO Reports in the form specified by the City, detailing actual employment data for the Consultant and for any and all subcontractor(s) utilized for the Work.
- F. The Consultant, by executing this Contract, is affirming that the Consultant complies with all applicable federal, state, and local non-discrimination laws, particularly the requirements of SMC Ch. 20.44 as incorporated in this Contract. Any violation of the mandatory requirements of the provisions of this section shall be a material breach of Contract for which the Consultant may be subject to damages and sanctions provided for by the Contract and by applicable law.
- G. The foregoing provisions of this section shall be inserted in all subcontracts for the Work covered by this Contract.

**Section 8: NONDISCRIMINATION IN EMPLOYEE BENEFITS**

**The provisions of this section apply to all consultant contracts estimated to cost \$37,000 or more. This section should be deleted for any contract estimated to cost less than \$37,000 and the word "Reserved" typed in place of the Section title above ["Section 9: Reserved"] Refer to Section 6.90.040 of the City's General Rules for Consultant Contracting for guidance regarding these provisions.**

At the City's request, the Consultant shall provide complete information and verification of the Consultant's compliance with SMC Ch. 20.45. Failure to cooperate with such a request shall constitute a material breach of this Contract. The equal benefit provisions of SMC Ch. 20.45 do not apply to subcontractors used under this Contract.
- B. Any violation by the Consultant of the provisions of SMC Ch. 20.45 shall be a material breach of the Contract, for which the Consultant shall be subject to the remedies thereunder, including but not limited to payment of liquidated damages in the amount of \$500 for each calendar day the Consultant is in violation of SMC Ch. 20.45 during the term of the Contract, termination of the Contract, disqualification of the Consultant from bidding on or being awarded a City contract for a

**Section 9: EFFORTS TO USE WOMEN AND MINORITY BUSINESS ENTERPRISES**

- A. General: The City encourages the use of Women and Minority Business Enterprises (“WMBEs”) as subconsultants and women and minority employees in all City contracts, and encourages outreach efforts to include women and minorities in employment, contracting, and subcontracting opportunities.

Outreach efforts may include the use of solicitation lists, advertisements in publications directed to minority communities, breaking down total requirements into smaller tasks or quantities where economically feasible, making other useful schedule or requirements modifications that are likely to assist small or WMBE businesses to compete, targeted recruitment efforts, and using the services of available minority community and public organizations to perform outreach.

The Consultant shall ensure that all employees, particularly supervisors, are aware of, and adhere to their obligation to maintain a working environment free from discriminatory conduct, including but not limited to harassment and intimidation of minorities, women, or WMBE businesses.

- B. Non-Discrimination: The Consultant shall not create barriers to open and fair opportunities for WMBEs to participate in any City contract and to obtain or compete for contracts and subcontracts as sources of supplies, equipment, construction and services.
- C. Record-Keeping: The Consultant shall maintain, for at least 12 months after the expiration or earlier termination of this Contract, relevant records and information necessary to document all Consultant solicitations to subconsultants and suppliers, all subconsultant and supplier proposals received, and all subconsultants and suppliers actually utilized under this Contract. The City shall have the right to inspect and copy such records.
- D. Sanctions for Violation: Any violation of the mandatory requirements of the provisions of this section (sub-sections B and C) shall be a material breach of contract for which the Consultant may be subject to damages and sanctions provided for by the Contract and by applicable law.

**Section 10: OTHER LEGAL REQUIREMENTS**

- A. General Requirement: The Consultant, at no expense to the City, shall comply with all applicable laws of the United States and the State of Washington; the Charter and ordinances of The City of Seattle; and rules, regulations, orders, and directives of their administrative agencies and the officers thereof. - D. Americans with Disabilities Act: The Consultant shall comply with all applicable provisions of the Americans with Disabilities Act of 1990 (ADA) in performing its obligations under this Contract. Failure to comply with the provisions of the ADA shall be a material breach of, and grounds for the immediate termination of, this Contract.

- E. Fair Contracting Practices Ordinance: The Consultant shall comply with the Fair Contracting Practices Ordinance of The City of Seattle (Ordinance 119601), as amended. Conduct made unlawful by that ordinance constitutes a breach of contract. Engaging in an unfair contracting practice may also result in the imposition of a civil fine or forfeiture under the Seattle Criminal Code as well as various civil remedies.

### **Section 11: INDEMNIFICATION**

The Consultant does hereby release and shall defend, indemnify, and hold the City and its employees and agents harmless from all losses, liabilities, claims (including claims arising under federal, state or local environmental laws), costs (including attorneys' fees), actions or damages of any sort whatsoever arising out of the Consultant's performance of the services contemplated by this Contract to the extent attributable to the negligent acts or omissions, willful misconduct or breach of this Contract by the Consultant, its servants, agents, and employees. In furtherance of these obligations, and only with respect to the City, its employees and agents, the Consultant waives any immunity it may have or limitation on the amount or type of damages imposed under any industrial insurance, worker's compensation, disability, employee benefit or similar laws. The Consultant acknowledges that the foregoing waiver of immunity was mutually negotiated and agrees that the indemnification provided for in this section shall survive any termination or expiration of this Contract.

### **Section 12: INSURANCE**

**\* The insurance provisions included below are general purpose. For a particular consultant Contract, it may be necessary to increase or decrease the coverages and requirements as provided in these provisions. Departments are advised to evaluate, with the advice of the City's Risk Management Administrator, whether the types and amounts of insurance coverage indicated below are appropriate for each contract. Departments are required to confer with the City Risk Management Administrator to determine the insurance requirements for consultant services that pose a medium-high to high risk to the City.**

- A. Insurance Required: The Consultant shall obtain and thereafter maintain continuously throughout the term of this Contract, at no expense to the City, the insurance enumerated below. The City reserves the right to require the filing of evidence of insurance coverage to determine the Consultant's compliance with these requirements.

In addition, the Consultant's insurance shall be primary and non-contributory to any coverage maintained by the City. The limits of such insurance shall not, however, limit the liability of Consultant hereunder. The Consultant shall promptly notify the City when the Consultant becomes aware of any material reduction in the aggregate limits of any insurance coverage required under this Contract.

2. Business Automobile Liability Insurance: A policy of Business Automobile Liability, including coverage for owned, non-owned, leased or hired vehicles written on an insurance industry standard form (CA 00 01) or equivalent.

- B. Claims Made Form and Deductibles: If any insurance policy is issued on a "claims made" basis, the retroactive date shall be prior to or coincident with the effective date of this Contract. The policy shall state that coverage is "claims made," and state the retroactive date. The Consultant shall either maintain "claims made" forms coverage for a minimum of three years following the expiration or earlier termination of this Contract, providing the City with a Renewal Certificate of Insurance

annually; purchase an extended reporting period ("tail"); or execute another form of guarantee acceptable to the City to assure the Consultant's financial responsibility for liability for services performed.

Any deductible or self-insured retention must be disclosed on the required certificate and is subject to approval by the City. The cost of any claim payments falling within the deductible shall be the responsibility of the Consultant.

- C. Evidence of Insurance: If evidence of insurance coverage is required, the Consultant shall provide the City's Risk Management Administrator and Superintendent of Seattle City Light with an original standard form ACORD Certificate of Liability Insurance with attached declaration page to verify Errors and Omissions liability coverage, signed by a licensed insurance agent or broker authorized to do business in the State of Washington, showing the insuring company and policy effective dates. The City reserves the right to obtain a copy of any policy required by this Contract, including all forms and endorsements.

- E. Self-Insurance: If the Consultant is self-insured for any of the risks for which insurance is required, the Consultant shall so indicate in a letter signed by an authorized representative of the Consultant, indicating whether the self-insurance is actuarially funded and the fund limits, along with an original standard form ACORD Certificate of Liability Insurance signed by a licensed insurance agent or broker authorized to do business in the State of Washington evidencing excess coverage required to meet the requirements of this Contract. All self-insurance is subject to the City's prior approval, and the City reserves the right to request documentation in addition to that stated in this paragraph to determine the acceptability of any self-insurance.
- F. Subconsultants: The Consultant shall ensure that each of its subconsultants names The City of Seattle, its employees and agents as additional insureds on any liability and property insurance maintained with regard to the Work, and that all insurance policies shall be made available to the City for inspection upon request.

### **Section 13: AUDIT**

Upon request, the Consultant shall permit the City, and any other governmental agency involved in the funding of the Work ("Agency"), to inspect and audit all pertinent books and records of the Consultant, any subconsultant, or any other person or entity that performed work in connection with or related to the Work, at any and all times deemed necessary by the City or Agency, including up to six years after the final payment or release of withheld amounts has been made under this Contract. Such inspection and audit shall occur in King County, Washington or other such reasonable location as the City or Agency selects. The Consultant shall supply the City with, or shall permit the City and/or Agency to make, a copy of any books and records and any portion thereof. ### **Section 14: CONTRACTUAL RELATIONSHIP**

The relationship of the Consultant to the City by reason of this Contract shall be that of an independent contractor. This Contract does not authorize the Consultant to act as the agent or legal representative of the City for any purpose whatsoever. The Consultant is not granted any express or implied right or authority

to assume or create any obligation or responsibility on behalf of or in the name of the City or to bind the City in any manner or thing whatsoever.

**Section 15: ASSIGNMENT AND SUBCONTRACTING**

The Consultant shall not assign or subcontract any of its obligations under this Contract without the City's written consent, which may be granted or withheld in the City's sole discretion. Any subcontract made by the Consultant shall incorporate by reference all the terms of this Contract. The Consultant shall ensure that all subconsultants comply with the obligations and requirements of the subcontract. The City's consent to any assignment or subcontract shall not release the Consultant from liability under this Contract, or from any obligation to be performed under this Contract, whether occurring before or after such consent, assignment, or subcontract.

**Section 16: INVOLVEMENT OF FORMER CITY EMPLOYEES**

- A. The Consultant shall promptly notify the City in writing of any person who is expected to perform any of the Work and who, during the twelve (12) months immediately prior to the expected commencement date of such work or subcontract, was a City officer or employee.
  
- B. The Consultant shall ensure that no Work or matter related to the Work is performed by any person (employee, subcontractor, or otherwise) who:
  - (1) was a City officer or employee within the past twelve (12) months; and
  - (2) as such was officially involved in, participated in, or acted upon any matter related to the Work, or is otherwise prohibited from such performance by SMC 4.16.075.

**Section 17: NO CONFLICT OF INTEREST**

As used in this section, the term "Consultant" shall include any employee of the Consultant who was, is, or will be involved in the negotiation, drafting, signing, administration, or performance of the Contract. As used in this section, the term "close family relationship" refers to the following: spouse or domestic partner; any dependent parent, parent-in-law, child, son-in-law, or daughter-in-law; or any parent, parent-in-law, sibling, uncle, aunt, cousin, niece or nephew residing in the household of a City officer or employee described above.

**Section 18: ERRORS & OMISSIONS; CORRECTION**

The Consultant shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished by or on the behalf of the Consultant under this Contract. The Consultant, without additional compensation, shall correct or revise any errors or omissions in the designs, drawings, specifications, and/or other Consultant services immediately upon notification by the City. The obligation provided for in this section with respect to any acts or omissions during the term of this Contract shall survive any termination or expiration of this Contract.

**Section 19: INTELLECTUAL PROPERTY RIGHTS**

The Consultant hereby assigns to the City all rights in any invention, improvement, or discovery, together with all related information, including but not limited to, designs, specifications, data, patent rights and findings developed in connection with the performance of the Contract or any subcontract hereunder. Notwithstanding the above, the Consultant does not convey to the City, nor does the City obtain, any right to any document or material utilized by Consultant that was created or produced separate from this Contract or was preexisting material (not already owned by the City), provided that the Consultant has clearly identified in writing such material as preexisting prior to commencement of the Work. To the extent that preexisting materials are incorporated into the Work, the Consultant grants the City an irrevocable, non-exclusive right and/or license to use, execute, reproduce, display, and transfer the preexisting material, but only as an inseparable part of the Work.

All materials and documents prepared by the Consultant in connection with the Work are instruments of service and the Consultant shall retain the copyright (including the right of reuse) whether or not the Work is completed. The City may make and retain copies of such documents for its information and reference in connection with their use on the project. The Consultant does not represent or warrant that such documents are suitable for reuse by the City, or others, on extensions of the project, or on any other project.

#### **Section 20: CONFIDENTIALITY**

The parties agree that they will not permit the duplication or disclosure of any information designated in advance by the other party as "Confidential and Proprietary" to any person (other than its own employee, agent, or representative who must have such information for the performance of that party's obligations hereunder) unless such duplication, use or disclosure is specifically authorized in writing by the other party or is required by law. "Confidential and Proprietary" information does not include ideas, concepts, know-how or techniques related to information that, at the time of disclosure, is in the public domain unless the entry of that information into the public domain is a result of any breach of this Contract. Likewise, "Confidential and Proprietary" information does not apply to information that is independently developed, already possessed without obligation of confidentiality, or rightfully obtained from a third party without an obligation of confidentiality.

#### **Section 21: EXTRA WORK**

The City may desire to have the Consultant perform work or render services in connection with this project other than that expressly provided for in the "Scope of Work" section of this Contract. This will be considered extra work, supplemental to this Contract, and shall not proceed unless authorized by an amendment. Any costs incurred due to the performance of extra work prior to execution of an amendment will not be reimbursed under this Contract or an amendment.

#### **Section 22: KEY PERSONS**

The Consultant shall not transfer or reassign any individual designated in this Contract as essential to the Work, without the express written consent of the City, which consent shall not be unreasonably withheld. If, during the term of this Contract, any such individual leaves the Consultant's employment, the Consultant shall present to the City one or more individual(s) with greater or equal qualifications as a replacement, subject to the City's approval, which shall not be unreasonably withheld. The City's approval shall not be construed to release the Consultant from its obligations under this Contract.

#### **Section 23: DISPUTES**

Any dispute or misunderstanding that may arise under this Contract concerning the Consultant's performance shall first be resolved through amicable negotiations, if possible, between the Consultant's Project Manager and the City's Project Manager, or if necessary shall be referred to the Superintendent of Seattle City Light and the Consultant's senior executive(s). If such officials do not agree upon a decision within a reasonable period of time, the parties may pursue other legal means to resolve such disputes, including but not limited to alternate dispute resolution processes.

## **Section 24: TERMINATION**

- A. For Cause: The City may terminate this Contract if the Consultant is in material breach of any of the terms of this Contract, and such breach has not been corrected to the City's reasonable satisfaction in a timely manner.
- B. For Reasons Beyond Control of Parties: Either party may terminate this Contract without recourse by the other where performance is rendered impossible or impracticable for reasons beyond such party's reasonable control such as but not limited to an act of nature; war or warlike operation; civil commotion; riot; labor dispute including strike, walkout, or lockout; sabotage; or superior governmental regulation or control.
- C. For City's Convenience: The City may terminate this Contract at any time, without cause and for any reason including the City's convenience, upon written notice to the Consultant.
- D. Notice: Notice of termination pursuant to this section shall be given by the party terminating this Contract to the other not less than five (5) business days prior to the effective date of termination.
- E. Actions Upon Termination: In the event of termination not the fault of the Consultant, the Consultant shall be paid for the services properly performed prior to termination, together with any reimbursable expenses then due, but in no event shall such compensation exceed the maximum compensation to be paid under the Contract. The Consultant agrees that this payment shall fully and adequately compensate the Consultant and all subconsultants for all profits, costs, expenses, losses, liabilities, damages, taxes, and charges of any kind whatsoever (whether foreseen or unforeseen) attributable to the termination of this Contract.

Upon termination for any reason, the Consultant shall provide the City with the most current design documents, contract documents, writings and other product it has completed to the date of termination, along with copies of all project-related correspondence and similar items. The City shall have the same rights to use these materials as if termination had not occurred; provided, however, that the City shall indemnify and hold the Consultant harmless from any claims, losses or damages to the extent caused by modifications made by the City to the Consultant's work product.

## **Section 25: MISCELLANEOUS PROVISIONS**

- A. Amendments: No modification of this Contract shall be effective unless in writing and signed by an authorized representative of each of the parties hereto.
- B. Binding Contract: This Contract shall not be binding until signed by both parties. The provisions, covenants and conditions in this Contract shall bind the parties, their legal heirs, representatives, successors, and assigns.
- C. Applicable Law/Venue: This Contract shall be construed and interpreted in accordance with the laws of the State of Washington. The venue of any action brought hereunder shall be in the Superior Court for King County.
- D. Remedies Cumulative: Rights under this Contract are cumulative and nonexclusive of any other remedy at law or in equity.
- E. Captions: The titles of sections are for convenience only and do not define or limit the contents.
- F. Severability: If any term or provision of this Contract is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Contract shall not be affected

thereby, and each term and provision of this Contract shall be valid and enforceable to the fullest extent permitted by law.

- G. Waiver: No covenant, term or condition or the breach thereof shall be deemed waived, except by written consent of the party against whom the waiver is claimed, and any waiver of the breach of any covenant, term or condition shall not be deemed to be a waiver of any preceding or succeeding breach of the same or any other covenant, term or condition. Neither the acceptance by the City of any performance by the Consultant after the time the same shall have become due nor payment to the Consultant for any portion of the Work shall constitute a waiver by the City of the breach or default of any covenant, term or condition unless otherwise expressly agreed to by the City, in writing.
  
- H. Entire Contract: This document, along with any exhibits and attachments, constitutes the entire agreement between the parties with respect to the Work. No verbal agreement or conversation between any officer, agent, associate or employee of the City and any officer, agency, employee or associate of the Consultant prior to the execution of this Contract shall affect or modify any of the terms or obligations contained in this Contract.
  
- I. Negotiated Contract: The parties acknowledge that this is a negotiated Contract, that they have had the opportunity to have this Contract reviewed by their respective legal counsel, and that the terms and conditions of this Contract are not to be construed against any party on the basis of such party's draftsmanship thereof.
