1.0 POLICY

1.1 Charges as described in Section 2.0 of this schedule shall be levied for each call for customers qualifying for Rate Schedule 26 appliance repair service as defined in Section 5.0, DPP 500 P 407, Customer Service Charge.

1.2 The initial Appliance Repair Trip Charge shall be applied only one time to any combination of jobs performed at the same time in the same residence.

1.3 If the problem confronted by an Appliance Electrician requires emergency trouble service (for example, fuse or circuit breaker problem) he/she shall make the repair and the trouble call service charge shall be waived in accordance with §4.4.2, DPP 500 P 407.

1.4 For fire or damage jobs, whether or not insured, the initial inspection and estimate of costs shall be covered by the Trip Charge. Charges for parts shall apply thereafter.

1.5 For installing warranty parts furnished by a dealer, whether obtained by the Department or by the customer, the Trip Charge shall apply.

2.0 CHARGES

2.1 Service Charges.

For repair calls received, the following charge applies:

2.1.1 Trip Charge (travel time only) $8.50 + tax
