Tel: (206) 233-2650

Video of the mayor's statement will be posted to seattle.gov/mayor/media

Mayor's statement

"Public safety is dependent on the cooperation of the police and the community working together. The police department's success depended on SPD's relationship built in the community.

This attack was prevented due to solid investigative work by the men and women of our police department. Working with our partners on the Joint Terrorism Task Force, the investigation worked exactly as intended."
