I live very close to the proposed site b. Which is at Jameson and 24th. There is a elementary school only about 2/10ths of a mile up the hill from this site. I worry about the criminal element and loitering around such a facility as well as people getting "bailed out" at all hours. This is a quiet neighborhood with a lot of families with small children. This site would in no way fit in with our community.

I am not happy to hear of plans for a jail in Interbay. There are several elementary and middle schools within a 2 mile radius of the proposed site. Both Magnolia and Queen Anne are highly populated with families with small children especially. I feel that having a jail in our community would be detrimental.
