I am against building the new jail at Interbay and would like to get updates on the Seattle Municipal Jail project

There are seven schools within a mile and half of the proposed site. Our children play soccer and football at Interbay. How could this be a safe, logical place for a jail? Please consider further research before a decision is made.

I am in absolute opposition of having a Municipal Jail built in Interbay. Who came up with this idea??? Although Interbay might be viewed by some as an undesirable area, hence appropriate for a jail, that could NOT be further from the truth. Interbay is flanked by two of the most desirable places in the city to live, Queen Anne and Magnolia. These neighborhoods are home to many, many of our city's children, families, and responsible tax paying citizens. In addition, Interbay playfield is a thriving center for athletic activity where residents can come and enjoy watching or participating in recreational activities. Let's give Interbay a break! It's time that this urban corridor become a mecca for businesses, and revitalization! A beacon of hope for sustainable living in Seattle. The area is drawing employers and employees who will be wanting a live work environment, where they can feel safe and secure. A jail in Interbay is so very wrong, and so incongruent with the vision of this potentially up and coming area. NO JAIL IN INTERBAY!!!
