Name: Nicole Ashford

City: Seattle

Neighborhood: N/A

I am unable to make the community meeting tomorrow night at Catherine Blaine about the proposed Interbay Jail location, so I would like to pass along my comment. I would like the City to consider another location that is not so close to residential neighborhoods. My children's school is less than a 1/2 mile from the proposed Interbay site. I would like the jail not to be built in Interbay. Thank you very much,
