Name: John Pankratz Sr.

Neighborhood: Broadview/Bitter Lake

A south end location seems more logical: 1. Industrial area with more open spaces potentially available 2. Easier to reach from the downtown courtrooms, legal centers, & lawyer offices

Name: Anne Sullivan

Neighborhood: Haller Lake

I feel that the Aurora Ave. site is much too close to residential neighborhoods, both to the east and to the west of the proposed site. Also it is extremely close to two schools, both Northgate elementary and Christ the King Catholic school. Some children live close enough to the jail site that they would travel near it going to and from their homes. As a 50-yr. resident of the area I am very familiar with the neighborhood.

Name: Calvin Wright

Neighborhood: Haller Lake

I live in this area and there are multiple housing units on this street with children. I notice that the city does not list a neighborhood for my address. I vehemently oppose locating a jail in this area. It would exasperbate an already negative situation in that area. And of course the liquor store on Aurora would just add to it. With a jail, this area would look just like 3rd and James.
