Name: Katherine Bateman

Neighborhood: Licton Springs

The Licton Springs neighborhood is so close to becoming a more family friendly neighborhood. It is not an established neighborhood yet, we are still working to create community here. Adding a municipal jail on Aurora would just add to the depressing state of Aurora. It would truly be a mistake.

Name: Barry Barnes

Neighborhood: Greenwood/Phinney Ridge

We are absolutely opposed to this location. We have lived in this neighborhood for over 10 years and have worked very hard with the community and the city to improve the area, reduce crime, improve our streets and homes, form block watch groups and mom groups and the thought of putting a jail in the heart of a residential area that has really begun to improve is quite possibly one of the worst proposals that I have heard come from the city in many years. We have been working with the city to improve the Aurora corridor and the idea of a jail simply destroys the good work that has been done. We ask and implore the city to consider a less residential area for this jail.
