Second attempt- since you didn't respond the first time. I live in Highland Park and would like to provide meaningful feedback on your proposal. However, without more information about how you applied your 'criteria' to the site selections (2 of 4 are in my neighborhood)- it is kind of hard. Please put actual useful information on this site vs. general facts. Or maybe this is just your attempt to go through the motions of public process for SEPA or something- not an actual interest for feedback.
