South Park has the Solid Waste Transfer Station . We shouldn't have to take another undesirable city facility. It's some other neighborhoods turn.

Name: Kari Morford

Neighborhood: Highland Park

Why would you consider putting a jail in an area that has already been so challenged by crime? Didn't our area just receive extra funding to help reduce crime? That would be a huge waste of that work and money. There has got to be a better, less residential option for this facility. Highland Park and White Center have really improved in the 8 years I have lived here and it would be a shame to see things go in the other direction.
