Name: Jason Green

Neighborhood: Highland Park

The two proposed jail sites in Highland Park would be devastating to the growth of the community, unwanted by nearby schools, and would lower home values tremendously. I recently moved to the area because of the neighborhood feel. It would feel anything but a neighborhood if a jail were to be built. I speak for my neighbors as well as myself when I say, "We are opposed to the City of Seattle's decision to consider new jail sites near our community."
