

Rainier Avenue - S Ferdinand St. to S Dawson St.

Rainier Avenue - S Ferdinand to S Dawson

Project ID # 2007-215

Type of Improvement: Sidewalk
Neighborhood: Columbia City

Approximate Length: 900 feet
Street Classification: Principle Arterial

Applicant Description of Problem and/or Project:

Problem: Rebuild the sidewalks in the Columbia City business District to provide positive drainage and eliminate tripping hazards. Under current conditions, sidewalks are uneven and water pools in multiple locations due to faulty or non-existent drainage facilities. Current conditions are a serious impediment to revitalizing neighborhood plan of creating a vibrant, pedestrian-friendly neighborhood business district.

Suggested Project: Rebuild the sidewalk in the Columbia City Business District.

Potential Solution and/or Comments:

Rainier Avenue – S Ferdinand St to S Dawson St

- Remove and replace sidewalk along both sides of Rainier Avenue.
- Construct new catch basins and storm sewer to collect street runoff.

Preliminary Range of Cost: \$ 660,000 to \$ 820,000
