

# NE 115th St - 5th Ave NE to 15th Ave NE

## NE 115th St - 5th Ave NE to 15th Ave NE

**Project ID # 2007-065**

**Type of Improvement:** Sidewalk  
**Neighborhood:** Pinehurst

**Approximate Length:** 2700 feet  
**Street Classification:** Local Street

**Applicant Description of Problem and/or Project:**

**Problem:** This is becoming a busy street with no safe place for pedestrians to walk.

**Suggested Project:** Install a new sidewalk.

**Potential Solution and/or Comments:**

NE 115<sup>TH</sup> Street – 5<sup>TH</sup> Ave NE to 15<sup>th</sup> Ave NE

- Construct concrete curb, gutter, and 6-foot concrete sidewalk for approximately 2700 feet along the south side of the street where it would be most cost effective.
- Construct new catch basins and storm sewer to collect street runoff.
- Assume that because more than 5,000 SF of impervious area is being constructed that stormwater detention and water quality will be required.

**Preliminary Range of Cost:** \$ 1,620,000 to \$ 1,980,000
