

N/NE 45th Street - I-5 to Stone Way

N/NE 45th Street - I-5 to Stone Way

Project ID # 2007-407

Type of Improvement: Sidewalk
Neighborhood: Wallingford

Approximate Length: 4800 feet
Street Classification: Minor Arterial

Applicant Description of Problem and/or Project:

Problem: None given.

Suggested Project: Repave and/or repair sidewalks on both sides of NE 45 St between I-5 & Stone Way N.

Potential Solution and/or Comments:

NE 45TH Street – Stone Way to I-5

- Remove and replace sidewalk along both sides of 45TH street.

Challenges/Tradeoffs:

- A site visit was not conducted for this project. It was assumed that all of the sidewalks in this area would be replaced. If this project were to be selected, additional confirmation of assumptions is recommended.

Preliminary Range of Cost: \$ 1,910,000 to \$ 2,350,000
