

Seattle Department of Neighborhoods 2010 Neighborhood Matching Fund Large Project Awards

District	Neighborhood	Project Name	Neighborhood Organization	Match Amount	NMF Amount	Description
Downtown	Belltown	Cottage Care	Friends of Belltown Gardens	21,500	25,100	Restore, clean and paint the three Landmark Historic cottages, which are owned by the City of Seattle and managed by the Seattle Department of Parks and
Northwest	Green Lake	Green Field Project	Playground Design Group	97,500	97,500	Renovate an outdoor field by adding a grass playfield, pervious asphalt running track, as well as native trees and plantings at the Daniel Bagley Elementary playground.
Southwest	Delridge	Community Orchard of West Seattle (COWS)	Community Orchard of West Seattle - Citizens Group	57,616	43,639	Develop a new community orchard on underutilized land on the campus of South Seattle Community College. With this award, the community will prepare the soil to eventually support 30 new fruit trees and 36 berry bushes. In addition, volunteers will assist with art projects to develop a gate, patio, signage, tables, and benches, that will create an inviting community green space. The orchard will grow a much needed free source of local fruit for neighbors and local food security programs, while also providing a venue for free public agricultural education.
Northwest	Greenwood	Vision Greenwood Park Community Garden	Vision Greenwood Park	60,585	60,000	Construct a community garden in an undeveloped portion of Greenwood Park. The garden will be designed to fit into the existing park and be accessible for a range of ages.
Magnolia/ Queen Anne	Queen Anne	Queen Anne Farmers Market - Phase II	Queen Anne Farmers Market Association	17,710	33,706	Expand a farmers market featuring Washington-grown and/or produced food direct from the producers, with weekly events promoting local food, healthy living and community.
Magnolia/ Queen Anne	Queen Anne	Lower Kinnear Park Enhancement Plan	Friends of Lower Kinnear Park	64,145	100,000	Hire consultants to produce construction plans for enhancements of Lower Kinnear Park which is a 10.8 acre urban forest. The community envisions improving entrances to the park, enhancing the park trails and connecting pedestrian pathways between neighborhoods and the waterfront.

District	Neighborhood	Project Name	Neighborhood Organization	Match Amount	NMF Amount	Description
Southwest	North Admiral	Play it Forward - Lafayette Elementary Playground Legacy	Lafayette Elementary PTSA	131,611	100,000	Replace the current play structure and update the play area. Goal is to make an updated, safe, and fun play area/public space for Lafayette students and local neighborhood residents.
Central		Work-it-Out Pilot Project	People's Family Life Center	100,000	100,000	Convert a vacant school building and grounds into a neighborhood educational and job training work site for youth ages 16-21 in greatest need of intervention: school dropouts.
Southeast	Rainier Valley	John Muir Elementary School Playground Improvement	John Muir Elementary PTSA	48,630	48,000	Construct a play area for 2-5 year-olds, install an irrigation system, and construct landscaping, garden beds, and a butterfly garden. The award will also partially cover the costs of stairway and seating walls construction. PTSA members and volunteers have completed two community design processes, have launched a major fundraising campaign, and will continue oversight of the construction phase.
Central	Central Area	The Pollinator Pathway	Pollinator Pathway	64,140	58,820	Create a series of pollinator friendly gardens in planting strips from 12th to 29th Ave on Columbia Street, forming a green 'belt' across several neighborhoods.
Central	Atlantic	Jimi Hendrix Park Design Revision	Friends of Jimi Hendrix Park	50,640	76,800	Hire consultant to conduct a public design process to create design and construction documents to enable completion of the park.
Southeast	Columbia City	Horn of Africa Intergenerational Connection	Horn of Africa Services	30,400	60,000	Provide 30 East African youth with an opportunity to bridge the gap between themselves and their parents. The youth will work together with their elders to produce digital stories that focus on key community, family and cultural issues. The youth will help their elders with computer and language skills, introducing them to the work of technology, while the elders will train the youth in their traditional cultural values and customs.
Southeast	Southeast Seattle	Mobilizing Southeast Parent Leaders for Quality Neighborhood	Community and Parents for Public Schools of Seattle	56,500	89,800	Identify and develop emerging parent and community leaders to build cross-school community advocacy network and ensure that every neighborhood school is a quality school.

District	Neighborhood	Project Name	Neighborhood Organization	Match Amount	NMF Amount	Description
Southeast	Dunlap	The Urban Arts Center	Urban Impact	76,840	66,452	Develop and implement a pilot program to train youth in leadership and personal responsibility skills through performing and visual arts education. The award will be used to secure a site manager, classroom instructors, provide youth stipends, and the purchase of educational equipment and materials. As community match, members and volunteers will renovate a space and cover the costs of operation and maintaining it for use as a drop-in center and arts education center.
Downtown	Downtown	Trail to Treasure: Phase Three	Pioneer Square Community Association	117,090	83,725	Create a historic interpretive trail through Pioneer Square commemorating heritage, fostering community and enriching the lives of residents and visitors.
Greater Duwamish	Beacon Hill	Alas	Campana Quetzal	61,660	100,000	In fall 2010, Cleveland High School will open as a Science, Technology, Engineering, and Math specialty school. Campana Quetzal volunteers will provide parent training to bilingual Latino parent leaders. The trained parent leaders will conduct outreach and educational activities for Latino families in Seattle Public Schools. The project goal is to create a cultural expectation and pipeline to college and other formal post-high school education options for Latino families. As part of the community match, Cleveland is providing use of its facility for afterschool computer literacy classes, ESL classes, and special educational events for families.
East	Capitol Hill	Queer Youth Space	Three Wings	191,059	99,982	Open an inclusive and all-ages cultural arts venue and workspace in Capitol Hill that fosters and supports Seattle's queer youth community.
